The Baptist Ladies' Aid met at Hotel Albany with Mrs. Bert Westbrook at a Ten Cent Tea on Wednesday afternoon. Fifty ladies were present with their fancy work. During the afternoon, an interesting short program was given, Miss Irene Gilchrist giving a reading, Miss Velma Lawrence singing a solo, and Rev. Douglas of Grants Pass, formerly pastor of the Baptist church of this city, giving a short talk and prayer.

Wednesday evening the Amazons and Agogias, (young ladies' and young men's classes of the Baptist Sunday school), all met at the Baptist church and from there went to the home of Mrs. Iona Irving, where they made merry until a late hour with fun, games, and music. Perhaps the chief amusement of the evening was entirely unpremeditated. The boys planned and prepared the refreshments, which were delicious, were it not for the fact that one of them, in an endeavor to be useful, while seasoning with cayenne pepper, spilled the entire contents of the box in the hamburger, which was being fried. Wails of grief from the boys and tears from the girls arose when sandwiches were eaten.

To the Republican voters of Linn county. I am a candidate to the office of county surveyor and am now serving my 4th term in that capacity.

The office of county surveyor is one in which experience is a very necessary qualification and one in which it requires several years' practice in handling deed, road and other records connected with the surveyor's office, before one is competent to give his best matured judgment to those requiring same.

I have had 16 years experience in the surveying profession. Eight years in government work, eight years in county and municipal surveying. I attended school at the University of Oregon.

During the incumbency of E. T. T. Fisher in the office of county surveyor he accumulated the government field notes for Linn county and arranged them in book form along with the re-established government corners.

The notes are a very valuable record to the surveyor owning the same and give him a decided advantage for accuracy and efficiency in surveying. I purchased these notes from the Fisher estate on entering the county surveyor's office.

If nominated and elected to the office of county surveyor I will endeavor to give to the citizens of Linn county the best of my knowledge and experience.
