Have You Planted Those Seedlings?

You cannot build a wall without single bricks. You cannot put up a barn without single boards. You cannot raise wheat without single grains. You cannot build up a bank account without single dollars. If you despise the little things, you can never attain to the big things. Bear that in mind for your self. Bear that in mind for your children. Teach them—learn yourself—by beginning a small account for your children and yourself at this bank.

It has been well said that the little things make up the sum total of life—and little habits that of character. They are the seedlings of character—Mosaics.
