

There are a great many people who have been using, and getting the best of satisfaction from

Munsingwear

The garments are actually made to fit. Height as well as chest measurements are used. For instance two people of the same chest measurement may differ in height. One may be six feet three inches tall, the other only five feet, but both have the same chest measurement. In ordinary underwear both would be given the same size garment, and neither one would be fitted properly. Whether you are tall or short, heavy or light, we can fit you satisfactorily in

Munsing Union Suits

One of the popular numbers for men is the

Athletic

They are made of madras, white, extra thin, with no sleeves and knee length, closed crotch, price per suit

89c

Knit Union Suits

There is no better weave made than the Munsing knit underwear. The garments fit fine, wear well and are comfortable. The prices on every class are most reasonable. We have sizes for MEN, WOMEN and CHILDREN

A COACH WITH PEP.

New Head of O. A. C. Sports Department Is Said to Be a Wizard.

J. A. Pipal, for five years director of the physical education at Occidental College, Los Angeles, who will coach O. A. C. football next season and assist in coaching basketball, track, baseball, and tennis, has arrived to start spring training.

During the time he was at Los Angeles he captured four football championships, three track championships, put seven of his men in as coaches in that many high schools of southern California, sent one of his hurdlers to victory in the low hurdles at Princeton in 1915, went to Harvard to assist Coach Haughton at the latter's request, with the lightest team of the far west, played Syracuse the hardest game on their western trip, and during his five years has won a place in the affection of students, sportsmen and the public at large never held by any other engaged in athletic work in Southern California. He is thought to be exactly the man O. A. C. has been looking for.

business visitor at the warehouse early Wednesday morning.

Geo. W. Lawrence, of Albers Bros. Milling Co., Portland, also transacted business here Wednesday.

W. J. Dunlap of Shedd was a Fayetteville visitor on Wednesday afternoon.

The new store is about completed and will receive its new coat of paint in a few days.

E. G. Pugh is building his new barn this week. The size of the barn is 56 x 60, and will be one of the best in or around Fayetteville.

James Ristig and Lewis Schultz, were business visitors in Shedd on Saturday.

The Greenback school closed last Friday with a great success of the following year.

Mr. and Mrs. H. C. Schultz, board-

Alfred L. Geddes

To the Republican voters of Linn county. I am a candidate to the office of county surveyor and am now serving my 4th term in that capacity.

The office of county surveyor is one in which experience is a very necessary qualification and one in which it requires several years' practice in handling deed, road and other records connected with the surveyor's office, before one is competent to give his best matured judgment to those requiring same.

I have had 16 years experience in the surveying profession. Eight years in government work, eight years in county and municipal surveying. I attended school at the University of Oregon.

During the incumbency of E. T. T. Fisher in the office of county surveyor he accumulated the government field notes for Linn county and arranged them in book form along with the re-established government corners.

The notes are a very valuable record to the surveyor owning the same and give him a decided advantage for accuracy and efficiency in surveying. I purchased these notes from the Fisher estate on entering the county surveyor's office.

If nominated and elected to the office of county surveyor I will endeavor to give to the citizens of Linn county the best of my knowledge and experience.

Men's Quality Hose

When You Spend Your Money

You want something for it. This is probably more true in socks than in most articles of wear, for many have had the "luck" to buy socks that were inferior quality, although they paid quality price. Ask for the famous positively guaranteed

INTERWOVEN

hose! They're the best made. If you ever have the least complaint bring the socks back and get a new pair. We've sold thousands of pairs and never one pair returned or complained of

On Sale at Crawford's Garage, 9th and Baker streets, Albany.

Viligance for Good Service

EVERY Bell Telephone exchange has its wire chief. He is unknown to the subscriber, but his important task is to see that the talk tracks, both inside and outside the exchange, are kept constantly in good working order. Day and night, the work of testing the lines and apparatus goes on. Complaint are promptly followed by and breaks are often repaired before the subscriber knows of the trouble or is inconvenienced.

The constant vigilance of the wire chiefs keeps the 14,000,000 miles of talk tracks and the intricate central office equipment of the Bell system in readiness for instant service.

Every Bell Telephone is a Long Distance Station

OREGON INDUSTRIAL REVIEW

May 15, Eugene has called for bids on \$20,000 school building.

Roseburg—Lee plant of 200 tons daily capacity starts operation.

Estacada—R. C. Deming starts cannery here.

Portland—Portland-Alaska Steamship company starts line of steamers from here to Alaska.

Two ships leave Columbia with 5,000,000 feet of lumber for China and Australia.

Hood River—\$45,000 bonds sold for new school and addition to high school.

Portland shipyard has contracts aggregating \$4,000,000 and will employ about 1000 men in the near future.

Grants Pass—Work started on construction of new planning mill.

Word comes from Halsey that there

is an opening for a live merchant to put in a general store in a fine store building now vacant, a good dentist, a garage, and a good undertaker. This town is 28 miles south of Portland, on the S. P. railroad in a good farming community and has about four hundred inhabitants. For information address Frank Nelson, Lock box 185, Halsey, Oregon.

Marshfield—Dollar logging came on Bear creek opens with 40 men.

Roseburg—Cinnabar properties in this section are being actively worked.

Astoria — Contracts aggregating \$161,390.81 for permanent improvement on Commercial Lane and 11th Streets, with a bitulitic hard surface pavement have been awarded.

Portland—Inman-Poulsen mill cutting 300,000 feet of lumber in 10 hours.

Waldport—Crab cannery, employing 25 men earning from \$5 to \$7 per day catching crabs and clams, 15 or 20 girls are also employed earning from \$1.50 to \$2.50 per day.

Actual construction work on Teel

irrigation project in Umatilla county to commence, financed by Canadian company.

Bandon—Lumber shipments for April totaled 3,853,184 feet.

Coquille—Fourteen cheese factories form association in Coos and Curry counties.

Astoria—On opening day of salmon season 1000 boats were at work.

Gresham—Latoutelle & Son will build brick garage here.

Ashland—Hotel Oregon remodeled at expense of \$20,000.

Astoria—County court awards contract to build four wooden bridges on Columbia river highway, price \$6796.

Bend—Pacific Telephone and Telegraph company takes over local phone system.

Marshfield—Meetings for \$362,000 road bond issue being held in Coos Co.

Toledo—Western Union establishes direct telegraph line between Portland and Newport.

OREGON BEST OF ALL.

Highest Building Man Preferred Or. to Calif., and Our Scenery to That of Europe.

Salem Journal: Although F. W. Woolworth, the pioneer five and ten cent store man who was in Portland last week, could not arrange to visit the home of the logganberry, yet Mr. Devore, the local manager, did introduce him to the pleasures of drinking Loju. He was so much pleased with this new drink that he at once pronounced it the most refreshing soft drink he had ever tasted and ordered a supply sent to him in Chicago. Mr. Woolworth stated that the east does not realize the wonderful scenery of the west and while he had been to Europe 27 times, this trip to the west was the most wonderful of all. The California hot weather was tiresome on Mr. Woolworth, who is 73 years old, but as soon as he reached Oregon he greatly improved.

PERSONAL MENTION
FROM FAYETTEVILLE

Fayetteville, May 15. — Herbert Babb, the architect from Albany, came out Tuesday morning on the electric to draw plans for Mrs. S. E. McBride's new bungalow.

R. R. Myers took the Tuesday morning electric for Albany.

W. L. Jackson of Albany was a Fayetteville visitor on Tuesday.

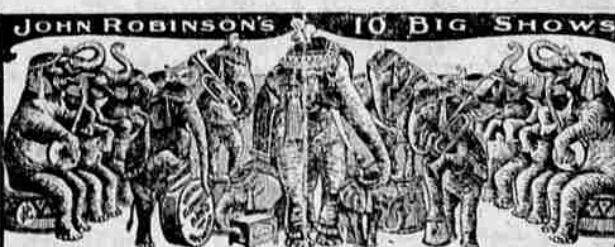

C. F. Clayton, of Peoria, had business calling him to the local warehouse early Wednesday morning.

Mr. and Mrs. L. C. Miller, of Oregon City, are here and will build their house in a few weeks.

Ray Jackson, of Oakville, was a
