MRS. SMEAD NOW EIGHTY- FOUR YEARS OF AGE

A Pioneer of 1848 She Has
Played Her Part Well in
Albany's Upbuilding.

Mrs. Smead, or better known by her many friends as Grandma Smead, on Saturday celebrated her 84th birthday. Friends called with tokens of remembrance, and words of congratulation, wishing her many happy returns of the day. She entertained them by telling of the changes that she had seen in Albany in more than half a century, from the first little log cabin that her husband built to the present time, then, and the different ways of traveling, from the ox team of '45, to the present day automobile, and many other things. On Friday her son took her in an auto to the circus, which she enjoyed. One of the first settlers at Albany, Mrs. Smead's birthdays are of interest to our people generally.
