Worth-while Things

Nothing in this world that is worth while comes easy. That great oak tree has struggled up from an acorn, thru storm and heat. If you wish to reach greater things you have to work for them. It is not going to be hard for you to begin your account here. Any sum you happen to have on hand will do for that. After that you have got to work and work hard. You must pile up every dollar you possibly can here—and leave it here. Do that and a new life—a greater life—a better life will open up before you. Make a start NOW. Keep it up.

When you speak of affairs, exclude in general the word "Difficult" from your reasonings and opinions. As to the word "impossible" never pronounce it!—Louis XIV.

These Questions are Ask Every Day

How can you sell overalls for 69c when when the other stores ask \$1.00?

Or the 75c ones that you have to pay \$1.25 for at other stores?

How can you sell men's Elk Shoes for \$1.98? They just asked me \$2.50 or \$3.00 at the other store.

A lady said why they just asked me \$1.50 for this 98c dress; still another said, I bought a waist exactly like this silk crepe yesterday and paid \$3.50 for it and yours are marked only \$1.98. Why is that?

Dozens of times every day we hear these same remarks.

It's in the buying for our 125 Busy Stores and our modern way of selling. Better join the GoldenRule family today.
