SALE TO BE HELD IN THE BASEMENT OF OUR STORE

Commencing Saturday, July 8th,

ONE BIG FEATURE

Our Line of Men's Shoes to be Closed Out

Except two items---Men's Popular Price Work Shoes, which will always be on sale in the Basement and Our agency for the Ground Gripper Shoe.

OUR REASON FOR SELLING

Are three fold:—**Firstly**—we find that the department has not been as great a success as have the other departments of the store; in fact it is not a paying investment. **Secondly**—we have a considerable amount of money tied up in the department that we could use to better advantage elsewhere. **Thirdly**—our Ladies' Shoe Department has grown, so much so, that it needs the space now occupied by the Men's Shoes.

YOUR REASON TO BUY

The prices of the Shoes are reduced, and what is more, they are reduced to the talking point. Of course you know that costs of merchandise have advanced, and as far as Shoes are concerned, will continue to raise, which make the reductions all the more abnormal and unusual: then again it is high class merchandise on sale, which is rarely if ever put out at such sale prices. In fact it will pay you in dollars and cents, to **stock up** for the next few years, if you can find your size, and as we have a very complete stock, this is quite possible. It is surely an opportunity for you, because we will not close out a Men's Shoe Department every day.

High Cut Shoes

We have 88 pairs of Men's Hi-Cut Shoes which we have divided into four lots. These Shoes range in height from eight to 16 inches, and are made in the following leathers: French Kip, Veal, Paris Veal, and Elk. Many of these Shoes are as water-proof as leather can be made. Prices as follows:

WILLARD MACK IS AN ALL AROUND MAN

Perhaps the adventurous career of Willard Mack explains his marvelous realism in the role of the tough but grateful burglar in the new Triangle play, "The Edge of the Abyss," to be seen at the Rolfe theatre tonight. He

GLYCERINE AND BARK PREVENT APPENDICITIS

The simple mixture of buckthorn bark, glycerine, etc., known as Adler-ika, astonishes Albany people. Because Adler-ika acts on BOTH lower and upper bowel, ONE SPOONFUL relieves almost ANY CASE constipation, sour stomach or gas. It removes such surprising foul matter that a few doses often relieve or prevent appendicitis. A short treatment helps chronic stomach trouble. The INSTANT, easy action of Adler-ika is astonishing. HENRY LEFFLER TAKES OUT LAST PAPERS TO VOTE

Pioneer Resident of Linn Co. 84 Years Old Would Vote For President Again.

Henry Leffler, who lives on a farm near Seio, and who was 84 years old on June 9, 1916, wants to vote, once more, at least, before he leaves this world, and to that end he evoked the aid of County Clerk R. M. Russell Monday night. Monday Mr. Leffler discovered that it was the last day on which he could present his petition for final naturalization papers and get them acted upon before the November election. His son came over to Albany and looked the matter up and made arrangements with Mr. Russell to receive the application that night. So at 9 o'clock the application was received, just outside the 90-day limit before the next term of court that will act on these matters.

Mr. Leffler was born in Hanover, Germany, June 9, 1832. He came to America, landing at New Orleans, September 28, 1844. He settled in Oregon June 21, 1862, but had been here before that date. He took out his first papers in California March 7, 1857, and has been voting on them ever since. Mr. Leffler is the father of 10 chil-
