#### CITY NEWS

##### Composed Song—

It is said that a song written by  
Bruce Evans, the evangelist, in Al-  
bany last year, has been adopted as  
the state song of California. Some  
live-wire.

##### Rupert's Team—

Clyde Jiles Rupert, better known as  
Reddy, formerly of Albany, is man-  
ager of the Baby Beavers of Port-  
land, tied for first place in the Inter-City  
league. Rupert has had a baseball  
team for many years, and would be  
like a fish out of water without base-  
ball during the summer.

##### \$785 Buick—

A Portland Buick man was in the  
city last evening with one of the new  
\$785, five-passenger Buicks. J. L. Ir-  
vine, the local agent, will have his  
first car of the kind here the 28th, and  
then plenty of them for the trade, a  
revelation to those wanting a low-  
priced car. Mr. Irvine reports 66,000  
as the present annual output of  
Buicks, with the factory unable to  
meet the demand. The Albany trade  
will be supplied with three grades,  
\$785, \$1170, and \$1685 cars.

##### Roberts Here—

Ray Roberts, of Woodland, Wash.,  
was in the city yesterday afternoon.  
He is in the jewelry business and for-  
merly resided here awhile and at  
Junction. Mrs. Roberts was formerly  
Myrtle McBride, of this city. They  
have three children. This is Mr. Rob-  
erts' first visit here for nine years,  
and he sees a wonderful change, pav-  
ment and many fine buildings since  
last here.

##### Hughes to Be Notified. (By United Press)

fore the citizenship convention, the  
president declared that America in-

Matawan, N. J., July 13.—A shark  
which killed a man and boy in Mata-  
wan Creek yesterday, and mangled a  
third boy, it is believed is trapped in  
the cove. A member of a huge party  
hunting for the man-eater reported  
seeing the shark's fin near the spot  
where the bathers were attacked yester-  
day. Two charged of dynamite  
were dropped immediately. Men  
armed with rifles lined the banks of  
the creek to shoot the monster if he  
should blow to surface. A steel net  
was stretched over the mouth of the  
creek.

Those who have used it in Albany  
are astonished at the INSTANT ac-  
tion of simple buckthorn bark, glycer-  
ine, etc., as mixed in Adler-i-ka. Be-  
cause it acts on BOTH lower and up-  
per bowel, ONE SPOONFUL Adler-
