CITY NEWS

Locked in Jail—
Ralph Thom, deputy sheriff and candidate for the office of county recorder, committed himself to the county jail Wednesday evening about 7:15 o'clock. Just before the band concert Thom was showing a party of friends through the county bastille, and to demonstrate how secure the cells were he stepped into one of them and snapped the lock on himself. When he went to get out his key wouldn't fit and Sheriff Bodine couldn't be found. At last, in desperation, when he became tired of being his own prisoner, Thom asked his guests to procure a hammer, and the Yale lock was battered open.

Four Indians—
Four Indian boys who escaped from the school at Chemawa were captured here last night on train 13, and taken by today by Luce, of the school.

Returned to Minnesota—
Mr. and Mrs. H. M. Emerson returned this morning to Minneapolis after a visit at the home of Mrs. Emerson's sister, Mrs. S. N. Braden.

Weather Variety.
Some growl perpetually at the weather; it is too hot or too cold; too wet or too dry. And yet a kind Providence arranges it infinitely better than we could. What a beautiful promise this was in the early history of the race: "While the earth remaineth, seed time and harvest, and cold and heat, and summer and winter, and day and night shall not cease."—Christian Herald.

Looking Ahead.
"I think I had better get a job before we marry."
"Don't be so unromantic, Freddy, I won't need any clothes for a long, long time."
"But you may want to eat almost any time, my dear."—Pittsburgh Post.

Knocking on Wood.
The "knock wood" superstition is said to date back to the days of sylvan gods; when oak, ash and rowan were sacred trees, whose deities would come to the assistance of the knocker.

Subscribers.
If the boys fail to deliver the paper each evening kindly phone to the office. The management invites complaints from its patrons and will do its best to correct faulty service.
