GREATEST OF ALL FILMS TO BE SHOWN IN ALBANY

Birth of a Nation to Be Given
in Albany August
6, 7 and 8.

David W. Griffith's most extraordinary achievement with his new photo-spectacle "The Birth of a Nation," coming to the Globe Aug. 6-7-8, is that of making history live. He has touched the high peaks of American history—the introduction of slavery, the War of Secession, the surrender at Appomattox, the death of Lincoln, the miseries of reconstruction and the restoration of the South to its own. These things, it would have seemed a year ago, were beyond the motion picture camera. The master producer had the faith of an enthusiast. Within 12,000 feet of celluloid film he has successfully combined a thrilling, plausible and dignified presentation of national upgrowth with a real and human love story based on Thomas Dixon's book-romance, "The Clansman." As it appears to the newspaper and magazine critics, Mr. Griffith has not only surpassed the art of the "inor" theatre, but he has also developed a new art-form far superior to the old style history or historical novel. The best characterization of it so far is that of a very eminent public man who has called it "History by Lightning."

The Moose—The local order of Moose are looking forward with pleasure to Wednesday evening next, on which date Prof. W. J. Cole, of San Francisco, a gifted and talented elocutionist, will entertain the members and their friends with a series of short readings and impersonations embracing humor, pathos and sentiment. The entertainment is free to the public, and an hour of genuine pleasure is promised. Good music will be furnished and William-eter Lodge No. 859 extends a welcome to all. 8:30 p. m.

Girls' Aid Society, of Portland, stopped off in this city on his way home from a trip to the south as far as Klamath Falls.

E. Cooke Patton, a prominent Salem merchant, went to Corvallis this morning on business.

Mrs. L. L. Baltimore went to Portland on the morning train.

Mr. and Mrs. G. W. Heath went to Gates this morning to visit with their son and daughters, who live at that place.

BRIEF SUMMARY OF "SINS OF MEN"

"Sins of Men," a new Fox story, presented last night at the Rolfe, is one of the most striking pictures seen here for a long time, a good one, showing up in a striking manner the evil effects of a bad book, Myself, founded on a book of that name, one in the interest of a selfish life, lived for pleasure. With the story is a vein of humor that is catching, and some of the home scenes are gripping. The end comes with a pleasing surprise and in such a delightful manner that one goes away with a good taste.
