## CITY NEWS

**Went to Newport—** Mr. and Mrs. John Bassett their son and daughter, Leon and Miss Winnie left yesterday for Newport in their Ford, to spend a week.

**High Priced Mutton—** Some four months old sheep were recently sold in Albany for \$5.50 a head, some old ones as high as \$19. The farmer with sheep is certainly in clover. Likewise if he has almost anything else, prices for about everything ranging high.

**Templeton's Record—** Frank Templeton, of Portland, is one of a list of a few men and women in the U. S. who during the past year have made a record of over 90 per cent in a thousand shots at blue rocks, among strictly amateur shots. His shooting has been wonderfully consistent. Templeton is a Linn county product, a former U. O. football star.

**Returned from San Francisco—** Mrs. E. A. Thompson returned Saturday evening from San Francisco, where she had been on a visit with her son.

**Had Picnic Trip—** Three automobiles of people left the Hotel Albany yesterday morning for Rock Creek to spend the day in the country, with a picnic dinner. It consisted of Mr. and Mrs. Hill and Mr. and Mrs. Bartel, of Cottage Grove; Editor and Mrs. Cates of the Dallas Observer; Mr. and Mrs. Duplisa and Mr. and Mrs. Westbrook of this city.

**Albany's Best—** The Portland papers persist in ignoring Albany's record in the Ft. Stevens long distance shooting, giving Portland the superior record. The Journal yesterday gave a picture of the Portland company, which secured three hits; but did not mention Albany's superior record. That of 5th Co. was made in quicker time and slightly better so that the record was 202, a remarkable one, while that of Portland's was 190, also a very large one. For some reason or other Portland doesn't seem to be willing to give other places credit where due.

**Went to Cascadia—** Mr. and Mrs. Z. H. Rudd yesterday started on their second outing trip, this time going to Cascadia, where they will spend about three weeks. Mr. and Mrs. Frank Skipton also left at the same time, both parties going in their autos.

**Busy Saw Mills—** Seven saw mills are now running in the vicinity of Lebanon, with demands for the lumber. The Temple mill at Berlin now has 28 teams hauling lumber to Lebanon to fill the orders of the Lebanon Lumber Co., which did not rebuild its own mill after it was burned a few months ago.

**For Sale, Forty Acre Farm.** Cheap and on eas yterms, if taken immediately. All new improvements, six-room house, barn 31x36, and other out buildings. All under woven wire fence and cross fenced; Small family orchard.

About 25 acres under cultivation and about 10 acres to be cleared. This place is less than 1-4 mile from a good school, and 3 1-2 miles to rail road station. Price, \$2,380, cash \$1,000, balance eight years' time at 6 per cent interest with the privilege of paying \$100 or more at any time. Also will sell cheap on the farm, the crop of clover, wheat, oats, and vetch, cheat, and oats, stock and farm implements. Will give possession in 30 days after date of sale. Call or phone G. A. CONN, Airlie, 120-aug15w Oregon.
