### PENDLETON ROUND UP SEEKING GREAT CURIOSITY

Asked to Have a Moose—Elephant in Addition to Let'er Buck Attractions.

Pendleton, Or., Aug. 14.—President T. D. Taylor has received an autograph letter from Colonel Theodore Roosevelt in which the famous Rough Rider advises that at present he cannot accept the invitation to witness the 1916 Round-Up, September 21, 22 and 23, but if at a later date it is possible for him to make Oregon during the presidential campaign now on he will be glad to accept. The Round-Up management still has hopes that he will be able to come for it is certain that the 1916 attendance will break all records as it is and with Mr. Roosevelt here it would be a high water year. As for the show it will be up to the usual Round-Up standard with many new, novel and daring features. Already ticket reservations are double those of last year and equal to those of 1913. The prize list has been increased a couple of thousand dollars which insures a big number of high class contestants.

Committed to Asylum—Hattie Garrett, of this city, was this morning committed to the Oregon State Insane Asylum.

### ALL-DAY SUNDAY SCHOOL AT CONNERS' A SUCCESS

About Three Hundred Fifty Attended With Good Program and Dinner.

The All-Day Sunday School of the American Sunday School Union, held in Conner's Grove, a delightful place, yesterday was one of the best yet held. The attendance was large, about three hundred fifty being present. It was characterized by splendid order and close attention to the program, with much interest, three or four conversations being reported as the result of the work. E. R. Martin, in charge of the work in the N. W., was a prominent speaker, making an earnest appeal. Prof. White spoke making an earnest appeal for the proper observance of the Sabbath. The Hammer quartet led the singing, and others from Albany took part in the music, and also in the talks of the

### FORMAL ANNOUNCEMENT. Of Second Annual Fair and Exposition October 12-14, By the Fair Board.

The Central Willamette Valley Fair and Exposition board begs leave to announce to the farmers, merchants, manufacturers, educators, and to all those interested in a bigger and better Willamette Valley, that the second Annual Fair and Exposition will be held October 12, 13 and 14, at Albany. The board has been rather slow in reaching this conclusion, owing to the lack of financial support. However, requests came from all over this section of the state urging your board to make this an annual event. So with the help of those deeply interested in the welfare of this section of the valley, your board is able, at this time, to announce that we will hold a larger and bigger fair this fall than we had last season.

The premium list will be much more extensive and the premiums offered more substantial. On the whole we believe that this fair and Exposition will be outclassed only by the State fair at Salem. Some of the most substantial farmers, stock raisers and manufacturers are getting under our fair and exposition project, and it promises to be even bigger and better than last year. We want the best products in grains, and vegetables and fruits and live-stock and manufactures and fine arts that can be had. We are making ample provision for the housing and care of all of these.

Shortly the premium list and detailed program of events will be issued to the press, and will then be ready for distribution. If you do not receive one promptly, write us, and we will mail it to your forthwith.

Arrangements have been made for public entertainments of various

day. Several loads of Albany people were present, assisting in the exercises.

Several country Sunday Schools united in the promotion of the gathering. At noon a fine dinner was served cafeteria style, with a menu of good things, such as the hospitable people of that section know so well how to furnish.

G. W. Rorhbaugh, county superintendent for the Union, is entitled to credit for the success of these county union Sunday schools, which are doing an excellent work.

kinds, including educational talks, band music and addresses by some of the most prominent men in the state of Oregon. Let everyone arrange their plans so that they can spend several days at the exposition. Let us unite in making this the big educational and social event of the year. Respectfully submitted, GOVERNING BOARD.

To Advertise Northwest.

(By United Press)

Seattle, Aug. 14.—George Hardy, former secretary of the Portland chamber of commerce will arrange a meeting here September 6, of representatives of railroads and civic organizations of many Oregon, Washington and Idaho cities, to arrange a central advertising bureau to boost the Northwest. They may establish a bureau at Seattle.

## The Corset Decides

Whether they look stylish or "frumpy." All the art used by the great designers of suits or gowns cannot offset the effect of a badly-designed or ill-fitted corset. The corset is the foundation of correct dressing, we would suggest therefore that you avail yourself of a Warner Corset, which represents the acme of style and comfort, affording all the desired support and yet possessing no element of restriction.

The selection we can offer to you is a large one, including both the medium and high busted corsets.

The prices are:

\$1, \$1.50, \$2, \$2.50, \$3

An inexpensive but truly an efficient corset.
