## TRAIL BLAZERS HERE AGAIN TO FINISH WORK

Routes East to Scio, Lebanon, Brownsville and Across to Prineville Now.

The automobile Trail blazers are here again. They will mark the roads east of here. Today they will go to Scio, marking the road to that place with a distinct color. This afternoon they planned with Secy. Eastburn, of the Commercial club, to mark the trail from this city to Sweet Home, via Lebanon. This route will be marked yellow, with the route thru Brownsville, over the mountains to Prineville will be marked green, continuing the markings from Corvallis. The green and yellow routes will give two roads to Sweet Home, one through Lebanon and one thru Brownsville, the Lebanon road said to be about 10 miles shorter. In the party are Mr. and Mrs. W. E. Tomlinson, of Marshalltown, Iowa, and Mr. Tomlinson's brother. The work done on the present trip will complete the contract made with A. L. Miess last winter. The work is certainly worth many times the \$100 paid for it and is the greatest convenience to travellers that could be imagined.

## THE DA BARA STARS TODAY IN "EAST LYNNE"

The moving picture revival of "East Lynne," as produced by the master organization of William Fox, adheres closely to the dramatic perfection of the old stage favorite, but brings all the power of the motion picture realism and an all-star cast into play to make it an "East Lynne" never before achieved.

Theda Bara, whose parts as beautiful villainess are well known to moving picture audiences, in this film reaches the height of her emotional powers, and her experienced supporters create a photodrama of unusual merit. In "East Lynne" Theda Bara has an entirely different role from the usual conception of her. Instead of being the vampire, the woman who wrecks men's lives, she is the woman imposed upon, and the ordinarily sweet little Claire Williams, comes nearer being the villainess. But she doesn't meo into, and is fighting for the love of the man in love with Isabel (Theda Bara). "East Lynne" is the good, old English play that has held the attention of theatrical audiences for many, many years and is still popular. It is predicted that a full house will witness the performance on both Friday and Saturday when it appears at the Rolfe theatre.

## DOROTHY GISH HAS TO SUFFER "CALLITHUMPING"

A real New England "callithump" is a feature of "Betty Graystone," the new Fine Arts-Triangle play in which Dorothy Gish stars at the Globe tonight and Saturday.

This term means the drumming out of town of some one who has justly or unjustly incurred the displeasure of the Puritanic villagers. In this drama the heroine is found in the company of a New Yorker one night in his country residence near the little town of Graystone. A large company of the curious have gone to the place, as a report is spread about that it is haunted.

The gossips of the town pass judgment on the girl, who has been kept captive in the attic by her unfeeling step father. When the mob comes for the girl she is dragged downstairs and made to precede the hooting procession, clad in a dancing gown, silk stocking and slippers, which her wealthy sweetheart has allowed her to appropriate from the extensive wardrobe of the house.

Back from Detroit—Rev. Geo. Pratt and brother-in-law, Gates Cochran, returned last night from Detroit, where they fished the festive trout for a few days, getting a few.

A. C. Woodcock and C. A. Sovereign, of Eugene, spent the night in this city.

Mrs. W. M. Stout came over from Lebanon last evening.

Albert M. Epperly, of Lebanon, visited friends in this city last evening.
