MORE MEN THAN WOMEN HAVE APPENDICITIS

Surgeons state men are slightly more subject to appendicitis than women. Albany people should know that a few doses of simple buckthorn bark, glycerine, etc., as mixed in Adler-ika, often relieve or prevent appendicitis. This mixture removes such surprising foul matter that ONE SPOONFUL relieves almost ANY CASE constipation, sour stomach or gas. The INSTANT, easy action of Adler-ika is surprising. The Woodworth Drug Co.

See **J. S. Stetchfield** before building fireplace. **ABSOLUTELY GUARANTEED**. Prevent future trouble. **332 LYON ST.**

The incoming class already enrolled is the largest in the history of the college. Exceptional opportunities offered in vocal and instrumental music. Correspondence invited. Address
PRESIDENT ALBANY COLLEGE,
Albany, Oregon.

SOUTHERN WOMEN.

Dixie's Fair Daughters to Divulge South's Suffrage Stand.

(By United Press) Atlantic City, Aug. 30.—Several hundred of Dixie's fairest daughters will take an active part in the emergency-called convention of the National American Woman Suffrage Association here Sept. 6th.

They will bring with them some "inside information" on what the Southern politicians think of suffrage, and on their report to the convention will depend whatever decision is made for future suffrage activity below the Mason-Dixon line.

So important is the South regarded by the suffrage leaders that one entire evening session of the convention has been set aside for a presentation of the Dixie suffragists' reports. The night session of September seventh will be officially known as "Dixie Night," and it promises to furnish one of the big surprises of the convention. On that night the delegates from all parts of the country will get some first-hand information from Southern women on how the South stands on suffrage. According to Mrs. Carrie Chapman Catt, President of the National Association, the information will not be displeasing.

Details of the information which is to be presented to the convention by the Southern leaders are being jealously guarded, but it is admitted that there is a surprise in store for those who have been laboring under the delusion that the Southern states as a whole, are opposed to granting the ballot to women.

A SNEEZERS' CONVENTION.

Hayfeverites' Head says 'Twas Julius Sneezer, Not Julius Caesar.

Bethlehem, N. H., Aug. 31.—Several hundred members of the United States Hay Fever association blew in here today behind their handkerchiefs. They came for the annual national convention representing 200,000 hayfeverites. Theirs is an organization not to be sneezed at by anyone but members.

The official slogan is a quotation from a funeral oration by the original hayfever victim, Marc Antony, wherein he said:

"You have tears to shed, prepare to shed them now."

It has long been believed that Antony was exhorting his hearers to weep over the death of Caesar, but the association's research department, under the direction of President John H. Pinover of Brooklyn, has definitely established that Antony merely interrupted himself to warn his fellow sufferers of the hay fever season's approach.

Mr. Pinover here today also expressed the suspicion that there was, really, no such man as Caesar; that his name, as a matter of fact, was Sneezer; which of course explains what Antony meant when he said: "I come to bury Sneezer, not to praise him."

TALKS FROM MT. HOOD.

Arrangements Being Made for Talk on Mt. Hood, With Washington, D. C.

Portland, Aug. 31.—The efficiency of the forest service telephone line to the summit of Mount Hood was demonstrated when W. D. Scott, division equipment engineer of the Pacific Telegraph & Telephone company, visited the Mount Hood lookout station and conversed with S. H. Hess, transmission engineer, at San Francisco, California, a distance of 900 miles horizontally and nearly two miles vertically.

The results of the test were so satisfactory that plans are making for a test telephone conversation between the lookout on Mt. Hood and the Forester, Washington, D. C. Officials of both the forest service and the telephone company say that such a conversation can successfully be carried on. If this test is made, it will be by the company and the forest service working in cooperation.

COMING EVENTS.

CITY NEWS.

Off Day for Bigbee—

Yesterday was an off day for Carson Bigbee at Pittsburgh. In the first game Boston beat Pittsburgh 1 to 0 and Bigbee got neither a hit nor an out. In the second game he got a hit and an out. In nine games he has made 11 hits in 34 times at the bat, making the rate .323. If he is able to keep his record above .300 or near it he will do a big thing. Boston is considered about the best team in the league, so that this series has been a strenuous one.

Wanted a P. M.—

The postmaster at Alsea has resigned, and a successor is being sought by the government. Under the civil service any one can compete regardless of politics. Here is an opportunity for the ambitious, with a nice summer resort town to live in all the time.

Corvallis \$1 Day—

This is \$55100 day at Corvallis, with plenty of previous yelling over the event. It has been well advertised and no doubt the merchants of the city will do a big business. As a matter of fact, though, it is a poor time for it, with the farmers all as busy as farmers can possibly be, doing their level best to save their big crop of spring wheat worth over a dollar a bushel, and oats, 40 cents and more, and yielding like a rabbit.

In Corvallis—

Mrs. A. B. Cathey has returned to Corvallis to resume her visit with friends here and to look after property interests in this city, after spending two weeks with her son and daughter-in-law, Mr. and Mrs. Cecil Cathey, and family, at Albany, and with a sister, Mrs. Robinett in Brownsville. She will be in Corvallis for a time before leaving for her home in Condon, eastern Oregon.—G. T.

Gibson Hill Gathering—

Tomorrow afternoon the Women's Missionary Society of the U. P. church will hold its annual meeting and social gathering at the home of Mr. and Mrs. J. G. Gibson, in North Albany. An auto truck will leave the church at 2:45. The men of the church are invited as well as the women and children. Those wishing to go later may secure a round trip rate in parties of four at 25c each by phoning 25.

A Southern Oregon Game—

At Klamath Falls, Sunday, Weed, Calif., defeated the Klamath Falls team 9 to 6. Lyle Bigbee, who has been making a splendid record as a pitcher, pitched for Klamath Falls, and following the game was openly accused of throwing the game on account of heavy betting on Weed. Bigbee denied this; but admitted that he had not pitched his best, because he had been ill three days before the game and was not in a condition to play the game. His friends here know that he would not throw a game and believe he was simply not in condition for the work.

OUR FORESTS.

At Pelican Bay is the Biggest Government Sale of Stumpage in the United States

Portland, Aug. 31.—Assistant District Forester F. E. Ames has just returned to Portland, Oregon, from a six weeks' trip, during which he visited eight of the National Forests of Oregon and Washington. Forest Inspector R. Y. Stuart, of Washington, D. C., accompanied him on this trip. Twelve large timber sale areas were inspected, and Mr. Ames reports that the conditions on these sales are generally satisfactory.

The largest sale visited was at Pelican Bay, on the Crater National Forest. The daily cut here runs from 225 to 250 M board feet. This is the largest sale in the district, and is probably the largest cut being made on any National Forest timber sale in the country.

FOR SALE—90 acres, all in cultivation. This is an exceptionally good piece of land, only two miles from Albany. Terms can be made. 5 per cent interest on deferred payments if taken in the next 10 days. Crop goes in. Price one half of what other land is held adjoining. This is only for a quick sale. See J. V. Pipe, 203 West 2nd St. a25a6dly wk

CHRONIC DISEASES A Specialty. Cancer, Rheumatism, etc. Service reasonable. Consultation free. Electrical and medical treatment. Call. I want to make your acquaintance. Office 405 E. 5th St. and R. R. St. Hours 8 to 11 a. m. and 1 to 6 p. m. D. M. Jones, M. D., Albany, Oregon. j26-a d&w

FOR SALE—New model 9 Oliver typewriter, demonstrator, \$97.50 machine, \$70.00. Call at Democrat. a81f

PORTLAND WEEKLY STOCK MARKET REPORT

Cattle—There was a good run of cattle here yesterday, 1150 head. Sows were in very good demand and prices were 15 to 25 cents higher. There was a very liberal offering of steers and they found a slow sale. Prices were 15 to 25 cents lower. Prime heavy steers selling at \$6.75 which was 25c under last weeks top. The bulk of steers sold \$6 to \$6.50. Quality not being as good as a week ago. Sows were of very good quality. As a rule the bulk selling over the 5c mark. There were a number of loads sold at \$5.35 and \$5.40. Bulls and calves sold steady.

Hogs—The hog supply was rather limited yesterday, 1800 head started the day's trading. There was a fairly good demand from all buyers and a brisk trade ruled. Prices were steady to a dime higher. Tops sold at \$9.25 with the bulk of sales \$9.75 and \$9.85.

Sheep—Yesterday's sheep house trading was confined to a couple of loads of lambs. They were fairly good stuff and crossed the scales at \$8.00. All classes of sheep are in good demand. The choice grade of lambs are quoted \$8 and \$8.25; best yearlings \$6.50 and prime light ewes \$5.25 and \$5.50.

Would Affect Mills.

Oregon City, Or., Aug. 30.—A railroad strike would probably tie up the plant of the Hawley Pulp & Paper company, employing 375 men, but the Crown Willamette Paper Company, with about 900 on its payroll, would probably be able to run indefinitely, according to local officials of the mills.

The Hawley plant is dependent largely upon the rail lines for shipping its product. It would continue to run until its warehouses were filled and then would be forced to shut down.

On the other hand the Crown Willamette plant sends its products to market by means of steamers. The only difficulty foreseen by the managers of that company here is the trouble necessary to receive supplies from the east.

Don't Drift Away From Your Friends

There are so many times when a cheery telephone message from you would mean much to your friends in nearby towns.

The fact that you can't see them so often is all the more reason why you should talk to them oftener, and an inexpensive telephone talk occasionally will work wonders. Consult the list of toll rates to cities hereabout; it's in the front of your Bell directory.

Just let YOUR TELEPHONE keep YOU from drifting away from your friends.

The Pacific Telephone and Telegraph Company
