SATURDAY, SEPTEMBER 9, 1916

SATURDAY NIGHT THOUGHTS.

It looks as if the most decided gains in the European war have been on the side of the Allies, though they have had to fight to get what they were after, and then only small slices.

The expected strike in this country did not occur, a fact that calls for congratulation. This doesn't end the contest between capital and labor by any means; but it helps temporarily in a decided manner, and leads the way to bigger things later.

In politics Mr. Hughes has continued his original program of criticizing everything with the name of Wilson attached to it. As a kicker he carries off everything in sight.

This week congress adjourned after a long and momentous session, one that has in a very decided manner left its impress upon the world.

Some of the biggest things in the recent congress: Reorganization of the army and navy with preparedness program.

Greater self-government for the Philippines. Eight hour law for R. R. employes. Abolished stamp revenue from income and other taxes.

These round ups are becoming so common there is danger of their being overdone. At the present time, though, people will go miles to see them, enjoying the excitement offered.

Mortgage Loans. Have plenty of local money to loan on farms in amounts from \$1000 to \$2500; also have Eastern money, and can make loans in amounts ranging from \$3500 to \$10,000 on good cultivated farms in Linn or Benton counties for long time.

Oregon Junk Co. Pays highest prices for hides, pelts and all kinds of junk. 10 horse power steam engine. Grain and potato sacks for sale.

MISFITS

Many marriages are brittle affairs. Dr. Straw of Marshfield is suing his wife for divorce.

This year's harvest has been beset by numerous worries.

We nearly always have a chance to get nervous; but heretofore the end has always been on the side of the farmer.

Mustered out will no doubt be a condition with a good taste to it just now.

If all the circuses should miss Albany it will not be such an enormous loss to the city and county; perhaps money in our pockets.

Hughes continues to jolt everything in sight.

In the meantime Mr. Hughes is being jolted more than any one.

So far his campaign has been one simply of ??????????

Candidates for president always had rather be right than be elected, a great old game that is getting aged and doesn't work any longer.

Sugar is one thing that can drop to the bottom without affecting the Willamette valley farmer as a producer.

When a boy one of the poems learned by Misfits was the following, which continues to have a fine ring to it:

Cleon hath a million acres, ne'er a one have I; Cleon dwelleth in a palace, in a cottage I;

Cleon hath a dozen fortunes, not a penny I; Yet the poorer of the twain is Cleon, and not I.

Cleon, true, possesseth acres, but the landscape I; Half the charms to me it yieldeth money cannot buy.

Cleon harbors sloth and dullness, freshening vigor I; He in velvet, I in fustian, richer man am I.

Cleon is a slave to grandeur, free as Thought am I; Cleon fees a score of doctors, need of none have I.

Wealth-surrounded, care-environed, Cleon fears to die; Death may come, he'll find me ready—happier man am I.

Cleon sees no charms in nature, in a daisy, I; Cleon hears no anthems ringing in the sea and sky;

Nature sings to me forever, earnest listener I; State for state, with all attendants, who would change? Not I.
