

COFFEE! YUM! YUM! YUM! COFFEE DAYS Friday and Saturday

Coffee as you probably know has advanced considerably in price lately, in the wholesale markets, which will before long effect the retail price. However we have and are making coffee one of our strong specialties, naturally then we use a great quantity, therefore we have given the advantages of some very liberal coffee contracts, enabling us to protect ourselves and still retain the same prices to our customers, and others who will buy their coffee at Hamilton's for these two days we are quoting extra special prices to invite new customers to try one or more of our brands of coffee.

HAMILTON'S SPECIAL 15c A POUND

We have sold hundreds of pounds of this coffee and have featured it many times at this price. In reality, however, this same coffee sells everywhere for 25c a pound. You can buy without limit for we have 1000 pounds at your disposal.

40c A POUND FOLGER'S GOLDEN GATE

One of the very highest grades of all coffees, put up in tins, either steel cut or whole roast, regular price 45c. We sell it however always at 40c a pound, 80c two pounds, 90c for 2 1-2 pounds.

21c A POUND CARACOL COFFEE

This is a regular 30c grade of Caracol or peaberry blend, a favorite among many of our customers. Our regular price 25c. This coffee makes a strong dark cup, and is suitable for blending with a milder coffee.

25c A POUND ARBUCKLES' COFFEE

Some people will have nothing else, we always have it on hand and our price of 25c is our argument, as many stores sell Arbuckles for 30c a pound.

23c A POUND STRAIGHT GUATAMALA

A regular 30c seller, very mild and pleasing.

HAMILTON'S PEERLESS 27c A POUND

This is a steel cut coffee put up in vacuum tins, a popular 30c seller. Special 27c a pound, 3 pounds 77c.

29c A POUND HACARTO CARACOL

Another peaberry coffee of the highest grade, A regular 35c seller.

35c A POUND ROYAL CLUB

Steel cut, very high grade regularly sold for 40c elsewhere, our price always 35c and 2 1-2 lb. tin 85c.

22c A POUND, GOLD BAND STEEL CUT COFFEE.

This is a coffee which we have selected as a steel cut coffee, and placed it under our own "GOLD BAND BRAND", which we intend to build a reputation on as a 25c seller, packed in paraffine lined paper packages, to save the expense of the cans, thereby saving on the cost and selling price to you.

BUTTER

GOLD BAND fancy creamery. Every roll guaranteed, Friday and SATURDAY ONLY, at a roll

This Week Is 'MALLORY' WEEK

People all over the United States are getting acquainted with

Mallory Hats

through the announcements in the magazines, and thousands of dealers throughout the country, are displaying the new Fall styles.

We would like to have you get better acquainted with these unusual hats—new shapes—attractive colors.

The Quality is the "Mallory" Standard

We recommend them and every hat is backed by the "House of Mallory," as well as by ourselves.

Your enthusiasm will be as great as ours after you have seen them.

Hear What Men Who Wear Them Say About

Herman's U.S. Army Shoe

A Letter to "Outdoor Life"
"I sent for a pair of Herman's Army Shoes last year and from the hour I put them on could walk 10 miles at a stretch, and never have had a sore or pinched foot, or corn, or any foot trouble. I shall never wear any other in everyday life as long as I can get a pair of them."
Dr. Chas. A. P. Garvey, Surgeon Dentist, Evanston, Illinois.

Herman's U.S. Army Shoe— for 10 years made only for the soldiers of Uncle Sam (we have made over 2,000,000 pairs for the War Department) is now sold to civilians by 4500 dealers.

Joseph M. Herman Shoe Co., Army Contractors, 158 Lincoln Street, Boston, Mass., Dept. AA

Hunting Mountain Goat
Lieut. Col. Charles C. Foster, Brigade Surgeon, M. M. writes: "The shoes have been put through a severe test, including a month of hunting mountain sheep and goat in a country where the hillsides consisted chiefly of loose, shifting rocks. My chum used up two pairs of much more expensive shoes, while my one pair are practically as good as ever. They are the best combination of lightness, durability and comfort I have ever found."
If it were possible to make a warrior shoe the U. S. Government would have a better one; but for 900 men in a thousand there never will be a better outdoor shoe.

City Notice to Delinquent Property Owners for Street Paving Assessments.

The city council has notified me that, I as the city treasurer, of Albany, Oregon, would have to commence suit against each delinquent property owner for his back paving assessments. I am going to give each property owner ten days to pay these assessments and if they are not paid by Sept. 30, 1916, I will have to commence suit to collect them, which means cost to each property owner and to save these costs they should be paid promptly.
H. B. CUSICK,
City Treasurer.
