KANSAS HAS SENSATIONAL CASE OF JUDGE LYNCH

White Man Taken By Mob After
Strong Resistance and
Hanged to Pole.

(By United Press)

Olathe, Kan., Sept. 21.—Fifty armed men stormed the jail here today. They fired at Sheriff Carroll and smashed in the iron doors. The fire department was called out and hosed the rioters. Despite the resistance, the mob seized Bert Dudley, white, murderer of Henry Muller and wife, carried him a quarter of a mile to the railway and hanged him to a telegraph pole.

NO FOREST FIRES.

Remarkable Year for Absence of Forest Fires in the State of Oregon.

Salem, Sept. 20.—Oregon suffered practically no loss from forest fires this year, according to State Forester Elliott, despite the fact that the timbered and brush area owned by the government and private individuals and companies comprises approximately 22,000,000 acres. The entire damage from fires, Mr. Elliott says, will be less than \$500. Last year the loss on privately-owned timber lands totaled \$29,000.

Oregon has 13,500,000 acres within the national forests, of which about 10,000,000 acres is commercial timber land. There are 10,000,000 acres of privately-owned timber land patrolled by the state and timber owners. In addition to this area there are approximately 2,000,000 acres of brush land in the southern part of the state.
