WHY FOR WILSON.

By John R. Alpine (President United Association of Plumbers and Steamfitters.)

President Wilson has shown, during his administration, marked intent to be reasonable and fair with regard to those measures and claims of organized labor calculated to maintain the highest standard of equity for all the people.

President Wilson has been beset with a greater number of serious and allimportant problems than any chief executive of our country, during the past half century.

For this general interest in labor's cause and for his masterly administrative powers, I favor his return to office for the best good of all the people.

I submit this as a personal opinion and believe that this opinion will be reinforced most emphatically by the voters of our country and that as a sequence President Wilson will be re-elected.

GREATEST FORWARD STEP.

Only two American presidents, Lincoln and Wilson, have understood or sympathized with the aspirations of labor.

PEERY COMMENDED.

Mr. E. C. Peery, of Scio, The Tribune believes, if elected, will prove a valuable member for the state and our county.

Besides the above, Mr. Peery's location is ideal. He is the only candidate from the forks of the Santiam section of the county containing more than one-half of the territory and over one-third of its assessed valuation.

In the Oregonian is a cartoon showing a man with an empty pocketbook, as the alleged result of four years of democratic administration.

As everybody knows empty pocketbooks are scarce. The cartoon is simply a lie.

etbooks are scarce. The cartoon is simply a lie.

Heretofore it has been an empty dinner pail; but the politicians didn't dare ring it in this year the same way.

After all politics are a great game of peanuts.

It has been difficult for several months to get men to do the work needed even in Oregon, where prosperity has been slower getting back to the normal than in the east.

Just a Comma. Messrs. Editors and Printers, men who really ought to know, Give, oh, give us back the comma of the happy long ago—

Never did we love the comma as we love it now 'tis gone. Letting sentence after sentence blind and aimless wander on.

Fill me see that one small comma, like a bright October moon, Could clear all in one brief instant would the printer grant the boon;

Mr. Hughes is for woman suffrage or votes only. Only a short time ago he refused to state how he stood on the subject, and it is known privately that he was lukewarm.

Outside suffragists, who haven't ad sufficient influence to secure suffrage in their own states have no business in Or. telling our women how to vote. It won't work.
