(By United Press)
Paris, Oct. 23.—It is announced that the French stormed and captured hill 128 northwest of Sailly-Saillies. Aeroplanes shelled Luneville. Twenty-four French aeroplanes dropped four tons of projectiles on the munitions works, and railroad centers. The French captured 450 prisoners in the Chaulness sector since Saturday. The Germans exploded a mine southeast of Dumesnil, but were unable to occupy the crater.

Sofia, Oct. 23.—It is announced that the Bulgarian right wing crushed the Roumanians and arrived within six miles of Constanza, an important seaport. They have gained six miles since Saturday.

"The enemy's resistance of the principal positions is definitely broken. They captured the strongly fortified points of Kobadin, Totati Kobadin and Topraiser. The enemy lost heavily. The trophies include eight guns, 20 machines and 200 prisoners."

Petrograd, Oct. 23.—It is announced that the Russo-Roumanians continue the Dobrudja retreat. The Roumanian capitol considers the situation serious. The Roumanians compelled a slight enemy retirement in the Transylvania. The Galician fighting is slackening.

It is reported the Roumanians have again asked for allied help.

London, Oct. 23.—Gen. Haig reported the Germans were shelling Lesars and Guedecourt, that there was no infantry fighting. The British occupied the edges of two mine craters south of Ypres. A German aeroplane raided Margate this morning and dropped three bombs, which damaged Cliftonville hotel, and injured a man and woman. The steamer Fortuna was submerged. Ten were saved and fifteen perished.

New York Tragedy. (By United Press)

New York, Oct. 23.—Frank Tass shot and killed Sheriff Stiers, while attempting to serve a contempt of court warrant. He fatally wounded Sergeant Fitzgerald and Patrolman Durkin, and then barricaded himself in his house. Twenty policemen charged and killed Tass.

The Wrecked Merida. (By United Press)

WALLA WALLA OFFICIAL FORMER TANGENT MAN

At the Oregon Electric depot yesterday were a couple of men handcuffed together, one an officer, the other a prisoner. The officer was S. H. Bryan, deputy sheriff at Walla Walla, on the way home from Eugene, where he had arrested Frank Nettleship, charged with desertion and non-support of his family. Bryan is a former resident of Tangent, a native of this county, and stopped off with his prisoner for a visit of an hour or two. He has been a resident of the Walla Walla country for ten or fifteen years, six years deputy sheriff. Nettleship was under \$750 bonds, and said he thought the matter could be fixed up all right.

BLOODTHIRSTY ROOSEVELT ON RAMPAGE AGAIN

**Down Among Cowboys Talks
Blood and Thunder and
Throws Bayonets Around**

(By United Press)
Albuquerque, Oct. 23.—Roosevelt paraded and ratchmen and cowboys escorted him, while 10,000 cheered. Hecklers cheered for Wilson. Roosevelt suddenly yelled "Hurrah for the babies murdered on the Lusitania. Hurrah for Wilson, Villa, Carranza. Hurrah for Americans murdered on the border." He spoke at Alvarado hotel. He attacked War Secretary Baker, saying "he used to knit when young," and assailed Wilson's Mexican policy.

ALBANY'S FURNITURE PLANT ONE OF BEST IN N. W.

**Thorough Work Being Done in
Preparation. \$1500 Blower
About Ready.**

It is doubtful if the fact is appreciated here that there is being established in this city one of the best furniture plants in the Northwest. An examination of the rebuilt plant of the Albany Furniture Mfg. Co. reveals this fact. Instead of hurrying and getting the factory to running before ready everything has been done in a thorough manner from the ground up, looking to the future, taking longer time on that account. One piece of new machinery, a borer, ordered early, did not arrive until Saturday from the east. Putting in the new blower, costing about \$1500, has been quite a job. This will take every bit of refuse and saw dust in the factory right off the floor into the fire in the boiler room, for fuel, not only a matter of economy in the long run, but a very sanitary convenience.

The two dry kilns are kept busy in preparation for the first work. Stock is being cut and in a few days active work will be pushed on the making of furniture, which for some time will be confined to dining room goods, mostly extension tables of high grade quality, with large orders ahead.

W. E. Flanders, of Portland, of the company, was up yesterday, greatly pleased with the manner in which the factory is being gotten ready for active business.

MARRIED.

Case-Crain. The home of Mr. and Mrs. Charles Crain of Biggs, was the scene of a pretty wedding at 10 o'clock Friday morning, Oct. 20, when Rev. Willard Tully of the Baptist church performed the ceremony which made Miss Julia Disten Crain the wife of Fred Allen Case, of Albany.

The living room, where the ceremony was performed was prettily decorated with red and gold autumn leaves. The same color scheme was carried out in the dining room where a simple luncheon was served the guests at the conclusion of the ceremony.

The guests comprised only members of two families.

The bride is the eldest daughter of Mr. and Mrs. Chas. Cain, is a young lady whose pleasing personality has won her hosts of friends. She attended grammar school at Biggs, and spent several years with her grandmother, Mrs. Julia Stites in Santa Cruz where she attended high school. She is an ex-member of the 1915 class at the Oregon Agricultural college at Corvallis.

The groom is the youngest son of M. B. Case of Linn county and formerly owned a farm west of Biggs. He is a prosperous farmer with a home near Albany, where the young couple will reside.

C. W. Searls, formerly of the Hub, has returned from Southern Oregon.

Fred Esch, manager of the Golden Rule store at Dallas, was a week-end visitor in this city at the home of F. E. Livingood, manager of the local store. He returned home this morning.

OREGON TRUNCES U. C. AT BERKELEY SATURDAY

**Nebraska Cornhuskers Too
Much for O. A. C. Inexper-
perienced Players.**

Although outweighed at least 10 pounds to the man, the plucky football team from Albany College fought gamely Saturday and lost to Willamette University by the score of 26 to 7. It was a good game to watch, full of thrills and exciting features. During the first half the odds favored Albany. Frenches wonderful punting keeping the ball within striking distance of the Methodist goal. The Albany punter's work stood out as the one bright feature of the game, his six kicks averaging 50 yards each, although one fell short on a short punt and went but 20 yards.

Grosvenor, Willamette's right half back was the main part of the team for the visitors. This wiry little chap tore off yard after yard for his team, and made two beautiful runs for long gains. At the beginning of the game he circled Albany's left wing on a double pass, and, with Albany's green end drawn in, ran 80 yards for a touchdown. Near the end of the fray he made another beautiful run, plunging and twisting his way through the center of Albany's main line, he ran 45 yards through the entire team for a touchdown.

Tolles, Albany tackle, brought the crowd to its feet in the second half by recovering a fumble and sprinting ahead of the Willamette team for the goal 65 yards away. The work of Fairfax, Captain Gildow, Habberle, Austin and Hart, also stood out for Albany. Tobie, Rexford, Dimmick and Flegel assisted Grosvenor in the bright spots for Willamette.

The game was rough. On the second down of the game Bailey lost his center and crippled his defensive machine when Hunter received a broken leg. This put a crimp in the team's play and accounts for the big yardage made by Willamette through the center of Albany's line. Willamette was penalized many times for rough play and was also sentenced to penalties of five yards each for many off side offenses. Teal, Willamette halfback was put out of the game for rough work after repeated warnings by referee Schmitt. Coach Matthews, of off. Willamette was unable to gain the bench and let his boys play their own game, and all through the first half continually flagged signals to his proteges, while they were in distress. He also showed poor sportsmanship in running on the field at every pretext and slipping advice to his men.

In the first quarter Albany kicked off. Willamette was unable to gain and punted. Albany made yardage. Willamette was penalized twice. French made 15 on a fake punt and then punted to Booth on Willamette's 25 yard line. Willamette made yardage twice and was then penalized for offside. The quarter ended with the ball in Willamette's possession in mid-field.

In the second quarter Willamette was unable to gain in three tries and punted 30 yards to Albany's 25 yard line. On the first play was offside and lost five. They were thrown back four more and then French punted 40 yards to Booth. Willamette was unable to work the forward pass or to gain and punted. Habberle fumbled on his own 22 yard line. Willamette made 9 on a forward pass and when Grosvenor went through center on the next play Habberle tackled him so hard that he fumbled, Albany recovering on their own 25 yard line. Here French made the best kick of the day. Standing behind his own goal line he lifted the sphere over Booth's head and it rolled a good 75 yards. The half ended soon after with the ball in Willamette's possession on their own 40 yard line.

In the second half Albany kicked to Willamette's 32 yard line, and the Methodists took the ball from here and marched right down the field,

STRAW VOTES

Wilson Won.
The straw vote at McAlpin's was completed Saturday evening. Following was the result:
Wilson 174.
Hughes 122.
This is probably about the correct ratio for the whole city, though it may possibly be stronger for Wilson because of the fact that the women did not vote much in this case. That would mean about 250 plurality for Wilson in the city, if 1500 votes are cast.
The county will undoubtedly give him close to 1000 plurality.

Usual Result.

These straw votes, at least nine out of ten in favor of Wilson, are getting monotonous; but they certainly mean something, and a good deal. Jos. Taucher, Jr. of Portland, who was in the city yesterday, reported helping to take one on train 14, suggestive of the prevailing sentiment of the day. It was:
Wilson, 73; Hughes, 42; Hanley, 2; Benson, 1. Three coaches were visited.

Teachers for Wilson.

A vote was taken today in all the schools of the city among the teachers, janitors and members of the school board, with the following result:
Wilson 36.
Hughes 17.
Hanley 1.
Schmitt 1.

At Prune Packer.

A straw vote taken at the prune packer this afternoon showed the following result:
Hughes 21.
Wilson 20.
Hanley 3.
Benson 1.

making their score in 17 bucks on the Albany line.

Again French kicked off to the 30 yard line and Willamette was starting the same thing over again when Tolles recovered a fumble and ran 65 yards to the goal. French kicked goal, making the score 14 to 7.

Albany kicked off again to Willamette's 25 yard line. Unable to make yardage in three tries Willamette punted to mid-field. W. U. could not make yardage three times and the quarter ended with the ball on W. U. 35 yard line.

At the opening of the fourth on the fourth down with 7 to go, Booth punted to Albany's 33 yard line. Albany made 7 in three tries and French punted 60. Willamette made 10 and on the same play Teal was put out for rough work. They made yardage four times and then Grosvenor uncorked his thrilling buck through the center of the Albany team for 45 yards to the goal. Score 21 to 7.

Albany kicked again. Willamette returning to the 40 yard line. A forward pass netted 20, three more brought 30, 10 and 11 each. Willamette failed to gain, was penalized 15 and Albany intercepted a forward pass and ran back 20 yards with it. Albany then made 12 twice on passes, French plunged five, Albany lost 10 on a fumble and then W. U. inter-

Berlin, Oct. 23.—It is announced that Mackenzel captured Constanza, the Roumanian's greatest seaport. This is the greatest German victory since Roumania entered the war. The German militarists declare that the victory is more important than all the allied gains on the Somme.

Official dispatches indicated that the Russo-Roumanians were routed disastrously. Gen. Mackenzel smashed northward along the Black Sea, and marched 12 miles in two days. The rapid advance indicated the enemy were demoralized.

Nebraska Wins Game.

O. A. C. was unable to come back Saturday after defeating the strong W. S. C. team the Saturday before and get away with the University of Nebraska. The Cornhuskers won 17 to 7. The spectacular feature of the game was the 101 yard run made by Tuffy Conn. Pipal's freshman wonder from Pasadena, who recovered a fumble in mid-air behind his own goal line and ran clear across the field and eluded the Nebraska players.

O. A. C. was outmatched by a heavier, more experienced team, although they were handicapped by the loss of Walker early in the game, and by Newman later. From the appearance of the dope sheet it looks like either

VILLISTAS SURROUND PART CHICHUAHUA CITY

Claim to Be Driving
Villistas.**

(By United Press)

El Paso, Oct. 23.—It is unconfirmedly reported that the Villistas surrounded the western side of Chihuahua City, and drove the Carranzistas into the outskirts. Another attack on the city is imminent. Verification is impossible. The Carranzistas officials insist that the Carranzistas are driving the bandits toward Santa Ysabel. A Carranzista official statement declared that a heavy battle continued Friday and Saturday. Both sides suffered severely. It is admitted Colonel Salinas was wounded.

Mistaking the valley train she got on one going elsewhere, which was noticed by her friends, while she was on the platform, and her attention called to it. Oregon Downs U. C.

The University of Oregon took a big slam at California at Berkeley Saturday when the bear stagers went down to defeat by the score of 39 to 14. California scored the first and last touchdowns of the game. For the first 10 minutes it looked like California was a real opponent, but after Oregon got to going there was nothing to it. Their first score came as a result of Monteith fumbling on the second play of the game, California recovering. They had two successful forward passes and then bucked the ball over in two plunges.

M. V. WEATHERFORD SUNDAY'S AT HOME

**Democratic-Prohibition Candidate for Congress in
Strenuous Campaign.**

FINDS SENTIMENT GROWING IN FAVOR OF WILSON POLICY

**Thousands Flocking to His
Support on Account of Stand
on Prohibition Question.**

Mark V. Weatherford, Albany's favorite son who is making a gallant race for congress on the Democratic-Prohibition ticket against Congressman W. C. Hawley, spent Sunday at his home and in his office in this city. Weatherford is making an active and fearless campaign, winning votes all over the district and will do honor to the city that he has chosen for his home.

Last week he made speeches at St. Helens, Rainier, Clatskanie and Astoria. He reports a good attendance at all meetings. He is having his hardest fight in the northern end of the district where he is not so well known, and will have a harder time to overcome the Republican lead there than in the south. His personal popularity in Linn, Benton and Lincoln counties, where he is known by thousands of voters, will attract an unusually large vote.

To a Democrat reporter yesterday Mr. Weatherford said: "The voters fully realize that a president must have a congress in sympathy with his policies. It seems that an unusually large number of the members of the Republican party are going to vote for Woodrow Wilson because they admire his record of progressive legislation; they have confidence in and approve his foreign policy, and desire to elect a congress that will assist the president in furthering and maintaining this legislative and diplomatic policy."

"Voters continue to tell me that they will give me their support for this reason. In addition to this the time has come, I believe, when the people desire an active representative on the temperance issue."

"I have made the fight in this campaign against the brewers' amendment. There are a number of objections to it, the most flagrant being that it will permit the sale of beer to little children. It is gratifying to know that thousands of good people in this district are heartily in sympathy with me in this fight."

"I find sentiment uniformly growing in favor of President Wilson, and I am gratified to see that the sentiment is crystallizing against the brewers' amendment, as the measure is being more thoroughly studied and understood."

Papers all over the district are boosting Mr. Weatherford's candidacy on behalf of his stand on President Wilson's policies, as well as for his own personal ability. Mr. Weatherford is having a hard campaign against great odds, which he is trying hard to overcome.

Tonight Mr. Weatherford will speak at Medford, Tuesday at Ashland and Wednesday at Grants Pass. He will probably talk at Roseburg Thursday and then spend the rest of the week in the Coos Bay country again.

CAUGHT RUNAWAY BOY NEAR CANYONVILLE

Arthur Peterson, 16 year old son of Mr. Peterson, a Lyon street shoe maker, ran away from his home last week and was captured at Canyonville, Douglas county, Saturday, by Sheriff Geo. K. Quinne. Local authorities were notified, and the boy's father informed. The boy will be brought back to this city.

Mrs. Clara McCoy and daughter, Miss Lilla McCoy, returned to the city this morning after visiting over Sunday in Brownsville at the home of Mr. and Mrs. Lyn Brown.
