GERMANY NOT TAKING PART IN PEACE PLAN

Germans Do Not Believe President Is Planning Peace Movement.

By Carl Ackerman Berlin, via Sayville, Nov. 20.—The German public regards skeptically the Washington reports via Switzerland, and London, saying that Wilson is planning peace steps. The German government and army are not participating in any peace plans. The army is concentrating its efforts toward winning. Gerard will probably find himself more popular when he returns. The popular attitude toward him is changing.

GOOD ROADS MOVEMENT NOT FOR PAVEMENT

Just For Organization that Shall Give Linn County Better Roads.

To the Editor of Democrat: During the last few days I have received a number of inquiries, from people living in different parts of the county, regarding the purpose of the proposed "Good Roads Association," which is to be organized here at the court house on November 25. In nearly every inquiry received, it was stated that it was the intention of this proposed organization to increase the taxes and to hard surface the roads throughout the county.

As I have been in fairly close touch with the prime movers in this undertaking, permit me to state through your columns, to the taxpayers of this county, that it is not the purpose of this organization to increase the taxes or to hard surface the roads, but that it is the aim of this organization, first of all, to see that we get value received throughout the county for the money that is annually expended in improving the roads, and that the roads throughout the county are improved in a systematic way and in accordance with a regularly worked out plan.

As it has been heretofore, a large sum of money is annually expended on highways, and, with few exceptions, at the end of every year we are no further along in getting permanent highways than we were the year before; in other words, the money is expended in a way so that the results are merely temporary and we never have any real good roads. Whereas, if the roads were made in accordance with these specifications, then we will have some permanent roads, and the people throughout the county will get value received for the money expended.

It is to the interest of every taxpayer to boost for this organization, and to assist in seeing it properly organized. The men who are back of it are certainly to be congratulated upon the unselfish stand they have taken in trying to see such an organization established within the county, as under our present system we will never have good roads.

ALFRED C. SCHMITT.

INEZ LEMKE IS CALLED BY DEATH

One of City's Most Prominent Young Ladies Passed Away This Morning.

HEART TROUBLE IS THE CAUSE OF TAKING

Prominent High School Girl Was General Favorite of Large Number of Friends.

Inez, Marie, daughter of Mr. and Mrs. H. Lemke, died at the home of her parents at Second and Main streets at 8:30 o'clock this morning. Heart trouble was the cause of her untimely death. She was eighteen years old on November seventh.

Last Spring Miss Lemke suffered an attack of heart trouble and went through several months of severe illness. Death threatened more than once, but she bravely fought it off and was thought to be on her way to recovery. For weeks she lay in bed, patient and cheerful, and was finally able to get up. She has been on the streets several times of late and appeared to be regaining her health. Saturday she was shopping with her mother and her friends remarked that she was looking better. Yesterday evening Miss Ha Spaulding, of Salem, who was visiting here, called with other girl friends. Nothing unusual seemed to be amiss, but she was taken with a heart spell before the girls left. This was not thought serious. Death came quietly this morning, after Drs. J. H. Robnett and B. R. Wallace had attended her most of the night.

Inez, the only child of Mr. and Mrs. Herman Lemke, was born in Duluth, Minn., November 7, 1898. She came with her parents to Oregon when she was a little more than a year old, and has lived in Albany most of the time during their residence in this state. She went through the public schools of Albany and would have graduated from high school with but a few months more work. She was in her last year when she was stricken last June.

There was never a more popular young lady in Albany than Inez. She was popular with all who knew and loved by all her friends. The entire city is cast in grief over her early death. The idol of her parents, she was lavished with all that she could desire, but remained unspoiled thru all manner of attentions. Her character was beautiful and her disposition perfect. Democratic and generous of nature, she compelled the esteem and admiration of all with whom she came in contact. Like a beautiful, frail flower, she was destroyed in the springtime of her life, leaving a void in the home of her loving parents and in her large circle of friends that will be most difficult to fill.

The funeral will be held Wednesday afternoon at 2:00 o'clock from the family home, Second and Main streets, and interment will take place in Masonic cemetery.

ALBANY WON GAME FROM SALEM HIGH

Oregon May Be Team Picked to Play Pennsylvania or Pittsburgh University.

Outplaying their lighter opponents from Salem high school in every stage of the game, Albany high on Round-Up grounds Saturday defeated the visitors by the score of 24 to 0. Four touchdowns were registered, but Miller was unable to convert any them into goals.

The field was a veritable mud hole. Sticky clay covered the ground to a depth of six inches, making fast playing impossible. Fumbles were frequent, Salem recovering several in their own territory. But in spite of the handicap of moisture the Albany line charged like a catapult and swept Salem off its feet by long end runs and line bucks.

The first score was made in less than five minutes after play started. Brick Eastburn caught the kickoff on the 30 yard line and ran it back to midfield. Three attempts on the line netted five yards and then "Brick" dropped back as if calling for a punt and ran the ball around left end for 25 more, Captain Louie Schultz tore off 15 or 16 yards on two occasions, and with the ball on the 7 yard line Bilyeu went through tackle for the score.

Both teams fought hard. In the second quarter Albany got the ball on the 40 yard line and on the first down Pete Miller on a fake kick ran 60 yards for a touchdown. Another score was made a few minutes later when Salem fumbled a punt on her 35 yard line and Louie Schultz scooped it up, and raced over the goal line.

The entire second half was a seesaw. Both teams set each other back for big losses and fumbles were frequent. No score was made in the third quarter. The fourth opened with the ball in Salem's possession on their 35 yards line. Unable to gain they punted. Albany lost yardage and failed to gain. Salem again taking it on the 35 yards line. Hagedorn tore off 25 for Salem. They lost five on the next play and on the next Tub Davis caught a forward pass and tore his way through from the 50 to the three yard line before he was downed by Salem. One the first play for Albany Miller fumbled, the ball bouncing over the line and an Albany man finally recovering for a touchdown.

The stars for Albany were Pete and Paul Miller, Tub Davis, Captain Louie Schultz, Eastburn and Bilyeu. All played a fine game, every man on the team. Captain Hagedorn and White were Salem's bright lights.

Washington Wins.

The University of Oregon was boosted higher to a claim upon the conference championship of the Pacific Coast Saturday when the University of California held Dobie's powerful University of Washington bunch to a 13 to 3 score. The teams play again in Seattle on Thanksgiving. Since the University of Oregon ran up a score of 39 to 14 on California, Oregon supporters are claiming the honor of their team meeting the big eastern team at Pasadena during the holidays.
