#### CITY NEWS

##### Christian Science—

Cor. 4th and Ferry streets. Thanksgiving service will be held at 11 a. m. Thursday, Nov. 30. All will be welcome.

##### Fagans at Pendleton—

The special meetings closed at the Christian church last evening with a great service. Five people were received at the conclusion of the sermon and Pastor Hubbell baptized two small boys. These meetings have not added a large number to the church but the good accomplished to the church community is not to be wholly judged in the number reclaimed or converted entirely.—E. O.

##### Here for Thanksgiving—

Mrs. Geo. Geisendorfer, of Cascadia, arrived last night to spend the Thanksgiving season in the valley.

##### Postal Savings Increase—

The postal savings of the Albany post office this month have increased \$1,103, being that much more than the withdrawals, a big showing. The total savings here now are approximately \$9,000.

##### Impressive Film—

A large number saw the film, "Where Are My Children," wonderfully impressed by the strong lesson taught, more forcible than words in the arraignment of a great evil.

##### Closed Tomorrow—

The public library will be closed tomorrow on account of Thanksgiving.

##### License to Wed—

J. Watkins and Miss Lucille McCoy, both of Sweet Home, were granted a license to wed today.

##### Received New Studebakers—

Hockensmith and Templeton, of the Albany garage, have received a carload of new Studebakers, series 18 automobiles. It is a fine looking lot of cars, fours and sixes, and the shipment contains one combination truck and stage, the latest in that kind of construction.

##### Spoke at O. A. C.—

Carl Anderson, who with Mrs. Anderson (Miss Louise Pistle) is visiting in this city, gave a lecture before the class in mining engineering at O. A. C. last night. ##### Returned to Father—

Ray Cruson, Jr., who was picked up at the depot Monday night by the night officers, will go back to the home of his father, Ray Cruson, Sr., at Drain. Chief of Police Catlin had a talk with the father this morning over long distance and the parent decided to take the boy back. He was intercepted here on his way to Idaho where an aunt lives. The father said that the other night the boy was punished for some offense and that night he left home. The marshal at Drain found the boy in town and was going to lock him up, but the boy stated that his father had sent him on an errand to an uncle's house. After the boy was released he got aboard the freight which stops there and came on through to this point where

### SHOOTING FOR TURKEYS PRE-THANKSGIVING SPORT

#### Albany Men Have Enough Turkeys For Several Big Family Feasts.

Albany crack shots have had an opportunity to bag numerous turkeys, and, at the same time, have some good sport breaking blue rocks. On Monday at the range of the Albany Gun Club the Edholm Bros. disposed of their flock of turkeys, with a good crowd on hand after the birds. Yesterday over at Wells Station there was a shoot with some fine gun men on hand, among others four from Albany, W. G. Ballack, W. E. Parker, P. A. Young and Ben Ridders. Billy Parker got three turkeys and a goose or two, Mr. Ballack three turkeys and Mr. Young a couple. It took some shooting for the Dodele boys and others who hit rocks were on hand. Today out on the range Co. 5 of the Coast Artillery has been having a shoot for turkeys with a good crowd of shots on hand enjoying the sport.

Rodgers and Worrell found him in their search of the train.
