GAIN INDICATED BY INSURED POSTAL BUSINESS

While totals will not be available for postal receipts for a day or two, it will be interesting to note the increase in one department of the post office over 1915. The insured business follows a certain proportion of the mailed packages, and is indicative

of growth. For the year just closed there were 4,074 packages insured at the local office. The first six months furnished 1,230 and the last six months 2,841. The month of December alone showed 1,671. The increase for Dec. 1916 over Dec. 1915 is nearly 50 per cent. The gain was 586 packages. The insured business for Dec. 1914 was 804; Dec. 1915, 1,085 and for Dec. 1916, 586.
