FANNIE WARD IN "EACH PEARL A TEAR"

Having established herself as one of the most versatile actresses on the screen, Miss Fannie Ward, the beautiful Lasky star, will be seen at the Globe tonight in the Jesse L. Lasky production of "Each Pearl a Tear," written especially for her by Beatrice C. DeMille and Leighton Osmun, from the story by E. L. Sheldon. It is a Paramount picture.

For a number of years Miss Ward has been popular as a comedienne in the spoken drama. When the Lasky Company induced her to join their coterie of stars, she was promised serious work, and this was given her in "The Cheat." In this sensational photodrama, he scored the greatest success of her career, and this she repeated in "Tennessee's Pardner," in "For the Defense" and "The Gutter Magdalene," and it is said that "Each Pearl a Tear" is better than anything in which she has heretofore been seen.

The story of "Each Pearl a Tear" has to do with a young girl who is led to believe by an unscrupulous millionaire, that she has lost a valuable string of pearls. She is forced to work for him to repay this loss.

How she discovers that he still has the pearls, and uses them to wreck him financially, at the same time bringing wealth to her sweetheart, is brought about in an unusual and striking manner.

Miss Ward has been surrounded by the Lasky Company, with a cast of unusual excellence, including such well-known players as Jack Dean, Charles Clary, Paul Weigel and Jane Wolff. It is a Paramount picture.

The production is lavish in its magnificence and the audience will be given an opportunity to glimpse society art tableaux which are now so popular in fashionable circles.

GIRL SOLDIERS

Another Training Camp For Debutants At Chevy Chase.

Washington, Jan. 29.—(By U. P.)—Joy reigns in many a debutante heart here. A second session of the National Service School, where ambitious girl rookies are initiated into the mysteries of soldiering, has been announced. They'll drill and march, and wig-wag at signals, and shoot, and the smell of powder—no air, not talcum powder—will pervade the air about the Chevy Chase suburbs of the capital again next Spring. The encampment will begin April 16 under the auspices of the woman's section of the Navy League. The school will be in session six weeks—the course to consist of 20 days. Senator Newlands' estate last year's site will probably again be used. More than 1500 applications for instruction are already on file. The red Cross, as was the case last year, will conduct the classes.

HOBO CONVENTION

Gather in Buffalo, N. Y., to Consider The Great Questions of Day.

Buffalo, Jan. 29.—(By U. P.)—In "front" and on the "blinds," on "deck" and "underneath" and always in spite of the train crews delegates to the annual convention of the International Welfare Association began arriving here today for the opening session, scheduled for tomorrow, but still somewhat uncertain due to the heavy non-arrival list. For the International Welfare Association is the title under which the hoboes gather to discuss their troubles. The call for the convention was issued in the Hobo News published by James Eads How, the millionaire bo of St. Louis.

The News is resentful of the decision in which the boes are here and so ended the call with the statement: "Once for all, the hobo is not a tramp, nor is he a bum or a venoman. He is the migratory, the casual and to the community's eternal shame the often unemployed worker. Economically the lowest element in our whole social system, but for all that a man who does the hard and really necessary work for the life and well being of his fellowmen."

To prove that the boes are tractable a pencil will be substituted for a navel at the session. Its light rattat will be all that will be needed to call the knights of the road to order, says How.

ANOTHER ONE

Mrs. Sanger Again In Court For Birth Control Activity.

New York, Jan. 29.—(By U. P.)—Margaret Sanger, New York's fighting, indefatigable birth control advocate, and her associate, Miss Faary Minicelli, will be tried today in Special Sessions on charges growing out of the maintenance of a birth control clinic by Mrs. Sanger in Brooklyn. The defense intends making a strenuous effort to get the testimony of physicians into the case saying the death rate among children ascends astonishingly with the increase in births per family. The defense is willing to attempt to prove from voluminous statistics that deaths per 1000 births in families having less than three children is 108.5; three or four children 126; five or six children 152.8; seven or eight children 176.4; nine or more 199.9. As in the case of Mrs. Ethel Byrne, Mrs. Sanger's sister who was convicted and whose case is now on appeal, the defense will argue that birth control is not birth elimination but merely voluntary motherhood.

Friends of Mrs. Sanger's from all strata of society—furred women in limousines, and the very poor—plan to give her their support.

ALBANY MINISTER GRADING STATE BIBLE PAPERS

The Bible is being studied in some of the schools of the state, followed by an examination under the state superintendent. Dr. W. P. White, of this city, has been appointed examiner of papers, and has been looking over 200 papers from different parts of Oregon. Most of them show a wonderful lack of information in reference to the Bible, many answers being more humorous than serious. For instance, the question, "Who was Queen Esther?" was answered: "She was a heathen Goddess, from whom we get the word Easter." Take the average person, church member or not, and it is doubtful if he would make 70 per cent in a simple examination.

CHRISTIAN CHURCH CHOIR GIVES FINE PROGRAM

Chorus Work Remarkably Good and Other Features Praiseworthy.

Presenting a sacred musical program of much merit, at the Christian church Sunday afternoon, the choir of the church assisted by singers from other churches, received many expressions of appreciation for the pleasure of the occasion.

Under the direction of Prof. C. H. Palmer the different numbers were arranged and presented in chorus, sextet, quartet and solo.

In chorus offerings were "Ye Portals," from Redemption, following the opening invocation by Dr. Geselbracht, and Hymn to Music, Buck, at the close; beautiful offerings, splendidly presented.

The choir was heard in "Oh Lord, Rebuke Me Not," Buck, with Mrs. Frank Watson, Mr. and Mrs. Frank Powell and Fred Veal in the solo parts; the church quartet, Mr. and Mrs. Watson, Mrs. Powell and Prof. Palmer in "Still, Still with Thee," Rogers, and a ladies' sextet, Mrs. Dora Flood, Mrs. W. H. Davis, Mrs. M. V. Weatherford, Miss Florence Warmouth (of Brownsville), Mrs. Schmecker. Prof. Palmer was heard in a solo, with violin part by Prof. South.

Mrs. Palmer officiated at the piano and Miss Vera Taylor at the organ. Others in the chorus were: Ames, Geselbracht, Froman, Wilkins, Logan, Rhodes, Canfield, Dowd, Willard and Nutting, Messrs Yates and Eastburn, and Messrs. Cal and Vic Yates, Van Tassel, Scott, Canfield, Hodgkin and Willard.

Rev. Young offered the prayer of the evening.

In the middle of the program Rev. D. Loyd Morzan gave a sermonette

PECULIAR ACCIDENT

Eugene, Jan. 28.—A half dollar for which three boys were scuffling dropped into a pocket beside a 38-caliber revolver which one boy was carrying, resulting in the shooting of Robert Vitus Jr., 18-year-old son of Mr. and Mrs. Robert Vitus, of Eugene, last night. Young Vitus is now in the Eugene Hospital with a bullet wound in his knee.

Neil Wallace, aged 16, had the revolver in his pocket. Harold De Bruille, aged 16, was also engaged in the effort to ret the coin.

The boys state that the gun was accidentally discharged when one of them reached into the pocket for the coin.

CARLOAD OF CABLE

Astoria, Jan. 29.—A carload of cable to be used by the Pacific Power and Light Co. in installing its new underground service has arrived. All service wires on the main business streets will be put underground, with a reconstructed overhead system on side streets in the business district.

Died in Ohio

Albany people will regret learning of the death at Akron, Ohio, recently of Helen, the ten-year-old daughter of Rev. and Mrs. E. Raedebaugh, formerly in charge of the Evangelical church, at this city. The cause was infantile paralysis. She was a lovable girl, and leaves many young friends here who will mourn her death.
