CLEVELAND HIRES DICTATOR  
OF PUBLIC SCHOOLS

(By United Press)

Cleveland, Mar. 13.—September 1. Dr. Frank E. Spaulding will become absolute dictator over the public schools of the Sixth City. Thereby the city sets aside the school board to try an experiment, Dr. Spaulding will do, he says, is to test all teachers' efficiency, weed them out and raise all salaries of those remaining. He has been head of the Minneapolis schools, where he put the school board to one side except in discussing politics.

There he also abolished all standing committees of the board and handled all executive matters himself, used his own text books and paid the royalties to the school fund, gave normal school students jobs as "cadet" teachers with pay, threw the school buildings wide open to the public for meetings, held staff meetings of teachers, started "opportunity rooms" for backward students, doubled the number of kindergartens and placed them under a competent director.

He also mapped out a school building program covering a period of years, established 2 year high school courses for commercial and technical students and made inducements to keep boys and girls in school when they showed signs of quitting.

THE UNIVERSAL CAR

320,817

Have been built and actually delivered to retail buyers since August 1, 1916. These figures—320,817—represent the actual number of cars manufactured by us since August 1st, 1916, and delivered by our agents to retail buyers. This unusual fall and winter demand for Ford cars makes it necessary for us to confine the distribution of cars only to those agents who have orders for immediate delivery to retail customers, rather than to permit any agent to stock cars in anticipation of later spring sales.

We are issuing this notice to intending buyers that they may protect themselves against delay or disappointment in securing Ford cars. If, therefore, you are planning to purchase a Ford car, we advise you to place your order and take delivery now.

Delay in buying at this time may cause you to wait several months.

Enter your order today for immediate delivery with our authorized Ford agent listed below and don't be disappointed later on.
