AL. G. BARNES CIRCUS

COMING TO ALBANY MAY 10

Harry Davis, press agent of the AL.
G. Barnes circus, arrived in the city
yesterday and arranged for the adver-
tising of the shows which will play
here May 10. Glad tidings for the
small boy!

The Barnes Wild Animal show has
played in Albany before and each
time carries off a better impression
than the last. It is a pure animal
circus, over 1,000 performing animals
being used. Of course there are
clowns, the callopie, the big street
parade and other features that make
it like the regular old time circus,
and others that make it different.
The men with the big lithographs
which will announce the show from
every countryside and billboard in
the city will arrive here next Thurs-
day.
