IMPORTANT FACTS TO REMEMBER ABOUT WAR CENSUS

(Cut this out and put it where you can find it.)

War Census Day—Tuesday, June 5, as named by President Wilson in his official proclamation.

Who must register—Every male resident between the ages of 21 and 30 years, inclusive. This includes aliens as well as Americans, Japanese, Chinese, Italian, Germans, English, Americans, and men of any other nationality who are of the designated ages, must register. Aliens will not be drafted for war duty, of course, but a complete record of them is desired.

Who is exempt—No male resident between the ages of 21 and 30 years, inclusive, is exempt from registering. Those to be exempted from military service will be determined later, but first of all must register.

Where to register—Registration must be made in the home precinct of the men registering. Register at your regular voting place.

Hours for registration—Booths at regular voting places in each precinct will be open on War Census Day from 7 o'clock, a. m., to 9 o'clock, p. m. Don't wait until the last moment. Register early.

Registration of Absentees—If you find you will be unavoidably absent from your home precinct on War Census Day, you should apply at the earliest possible date to the county clerk of the county in which you may be at the time, whether in Oregon or elsewhere, who will fill out your registration card. He will then give you the card, which you must mail to the registrar of your home precinct, in care of the sheriff of your home county, in time to reach the registrar by War Census Day. If you live in Portland, or a city of over 30,000 population in another state, mail the card to the registrar in care of the mayor.

But remember, the burden of having your card reach the registrar of your home precinct by War Census Day is on you.

Registration of the Sick—Men of military age who are too ill to go to the voting booth to register must send a competent person before War Census Day to the county clerk to explain the circumstances, and secure instructions from the Federal regulations which these officials will receive from the government.

Penalties—The penalty for failing to appear to register, or for giving false, misleading or incorrect answers, is imprisonment. There is no alternative of a fine.

HELP WANTED—Male—An intelligent person may earn \$100 monthly corresponding for newspapers; \$40 to \$50 monthly in spare time; experience unnecessary; no canvassing; subjects suggested. Send for particulars. National Press Bureau, Room 4388, Buffalo, N. Y. M-21-N-21

VIVIAN MARTIN IS STARRED AT GLOBE TONIGHT

"The Right Direction," the new Pallas-Paramount photoplay coming to the Globe theatre tonight and Tuesday, unfolds a screen story of fascinating interest throughout. From the moment when tragedy casts her shadow over little Polly and her baby brother "Billy Boy," in the tenement flat; through her many adventures while pushing "Billy Boy's" baby buggy Californiaward and up until the big events of the dramatic ending, the interest in little Polly's busy life is never allowed to abate. In this production Pallas-Paramount have one of the finest screen stories ever produced. Dainty Vivian Martin is seen in the role of Polly, and Collin Case, Herbert Standing and other notable stars appear in the cast.

A Fathe News reel and another funny Lonesome Luke comedy will also be shown.

DRUGS EXCITE YOUR KIDNEYS, USE SALTS

If your Back is aching or Bladder bothers, drink lots of water and eat less meat.

When your kidneys hurt and your back feels sore, don't get scared and proceed to load your stomach with a lot of drugs that excite the kidneys and irritate the entire urinary tract. Keep your kidneys clean like you keep your bowels clean, by flushing them with a mild, harmless salts which removes the body's urinous waste and stimulates them to their normal activity. The function of the kidneys is to filter the blood. In 24 hours they strain from it 600 grains of acid and waste, so we can readily understand the vital importance of keeping the kidneys active.

Drink lots of water—you can't drink too much; also get from any pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast each morning for a few days and your kidneys will set fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate clogged kidneys; also to neutralize the acids in urine so it no longer is a source of irritation, thus ending bladder weakness.

Jad Salts is inexpensive; cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep their kidneys clean and active. Try this, also keep up the water drinking, and no doubt you will wonder what became of your kidney trouble and backache.
