Nemo Corset Demonstration

Tomorrow is the last day that Mrs. Richardson will be here. Come in the morning, talk with her and let her fit you perfectly, and explain why you should use a certain designed Corset.

Nemo Wonderlift Works Wonders

—for the woman who is feeling the effects of a too-strenuous life, as well as for the woman who has led an inactive life.

Whether abdominal muscles have been overtaxed or have become flabby, the result is the same—fallen organs, ill-health and ungraceful lines!

Improved health and increased symmetry is the result of wearing a Wonderlift. The slender woman may need abdominal support as much as her stouter sister. We have models for all types.

No. 556 is a sheath-like Wonderlift Corset for the slender to medium figure. Light flexible and durable; of white mercerized

batiste—\$5.00.

For the same figure,

No. 558 is a dress-up model. In white or pink figured batiste—\$5.00.

For an extreme type, the very short, very stout woman who "can't wear a long corset," No. 553 is a splendid model. Of durable coutil; sizes 22 to 36—\$5.00.

The Wonderlift is practically a set of artificial muscles to help the natural muscles do their full work. Hosts of women health and grace have regained health and grace by wearing a Nemo Wonderlift Corset. Why not you?

It Rests Your Back

If you suffer from that common enemy of womankind, backache, this is a message of relief to you

NEMO Back Resting Corsets—strengthen weak back muscles and relieve backache.

We have models to suit all types of women, from the slim young girls to the dignified matron.

There are two dainty Back-Resting models for the slender girlish figure, both very light. Wide unboned hip sections protect sensitive hip bones, "round out" the figure, and give pleasing lines:

No. 338—white coutil, medium proportions

No. 336—in pink, with girdle top and slightly longer skirt

For heavier figures, we have other Back-Resting Corsets, some combining the Self-Reducing or the Wonderlift features—\$3.50, \$5, and \$10.

Don't suffer from backache. Let us fit you in one of these new corsets. They will give you new comfort and better style.

GREAT ACTOR IN GREAT PLAY AT ROLFE TONIGHT

The photo-play attraction at the Globe tonight features Lou Tellegen, the great English actor, in "The Victoria Cross." Tellegen, it will be remembered, is the husband of Geraldine Farrar, one of the world's greatest grand opera singers. In addition to "The Victoria Cross," there will be a two-reel L-Ko Comedy.

The incidents in this great play are mainly historical, centering around the great Indian mutiny of 1857—when the native troops of India were stirred to revolt by scheming rulers and religious fanatics. When the Sepoys turned on the English at Cawnpore—the terrific struggle focused the attention of the shocked world in the direction of far-away India.

"The Victoria Cross" is a compelling photo-dramatization following out the destinies of a young English officer who became entangled in the meshes of Oriental intrigue. How he was misjudged by his superior officers, and reduced in rank and name, and his ultimate triumph and restoration, is masterfully told in this thrilling story of love and war in the Far East.

CITY NEWS

Weather Report—

Yesterday's temperature ranged between 60 and 43 degrees. The river is falling, and at 8 o'clock this morning stood at 6.9 feet above low water.

Two Fine Plays—

Manager Meyer of the Globe theatre, has secured two fine plays for the Globe theatre for the next month. Herbert Brennon's "War Brides," in which is featured Mile. Nazimova, the wonderful actress, and produced on the Selznick program, will be shown June 6 and 7. The prices will be 25, 35 and 50 cents. This play has had a wonderful run and Nazimova, who is one of the greatest emotional actresses in the world, is a favorite everywhere. The other big play to be booked is the "Garden of Allah," a 12-reel superproduction that has swept the country. Its voluntary advance bookings in the Northwest alone before the first reel of the picture was received were over \$25,000.

THIS DOG REASONS

Last week Mrs. Henry Shope was so unfortunate, when in the yard at the Shope home as to fall. She fell in such a manner that she was unable to arise. She called for help, but no one heard her but W. S. Carpenter's little white dog which made such a frantic noise running back and forth that he attracted Mrs. Carpenter's attention when she and others went to Mrs. Shope's relief.

The dog reasoned that he could not help, but could attract the attention of those who could, a clear case of dog reason.—Scio Tribune.

The Right Way to Care for the Baby

Plenty of sleep, regular hours for feeding, and lots of fresh air! These are the things every baby needs. In doing all you can to help your baby build a healthful body, you will want to consider most carefully the fresh air item. The right carriage is important.

Some of these things you will want in a carriage for your baby will be an adjustable hood, a roomy carriage body, durable upholstery that will not easily soil, light, flexible springs, and rubber-tired wheels that sit solidly on the axle. And these are all features of the Heywood-Wakefield carriage. It is the carriage for the out-of-door baby. We have on exhibition some very attractive new models of these handsome baby carriages which we would like to show you.

Endurance—the Supreme Tire Quality

United States Tires have proved that they have that supreme quality,

- that miles are packed into their structure the way endurance is packed into steel.
- A vast number of the motoring public know that by experience,
- and they have answered in the only way that the buying public can answer,
- by giving United States Tires tremendous sales increases,
- sales increases that are vastly greater than even the sensational increase in the number of automobiles this year over last.
