## NOTES

By F. P. Nutting

The Deschutes valley looked much better to me than I had anticipated. Along the way a prosperous appearance greeted me. The train service is excellent, fast and prompt. A pleasing contrast to the service up the Heppner, Condon and Shaniko branches, where the roadbeds are in frightful condition and the trains universally late, as much as two or three hours.

At Redmond I had a pleasant visit at the home of Rev. J. E. Blair, Mrs. Blair was in Seattle caring for a very sick brother. Miss Hope had just arrived home from the Theological seminary at St. San Elmo, and Robert and Will were just finishing their term of school, preparing to work during the vacation with plenty of opportunities. Rev. Blair had just gotten a neat parsonage about ready for occupancy, doing much of the work himself, as well as putting the church yard in good shape. People speak highly of his work as a pastor and a preacher. The church board has furnished him with a Ford and he conducts services at four or five places in all.

One of the high school teachers the past year was Miss Caroline Luther of North Albany, who made many friends during her years' stay in Redmond. She will not return. Prof. Nash, the principal, and Prof. Gooding of the Harrisburg school, will exchange places next year.

There is lots of pep in the E. O. schools, both in athletics and otherwise, with an enthusiastic support by the people.

Next year Miss Anna Johnson of Albany, teacher of domestic science and art at Scio the past year, will have charge of the same department at Redmond.

Arrived at Portland Saturday evening.

Speaking of gold bricks: General Kuroptkin is reported to have accepted a bribe of \$8,000,000 from Germany for the surrender of Riga. He sent the \$8,000,000 to the Duma and held on to Riga.—New York Morning Telegraph.

## SALT IS FINE FOR KIDNEYS, QUIT MEAT

Finish the Kidneys at once when Back hurts or Bladder bothers—Meat serves uric acid.

No man or woman who eats meat regularly can make a mistake by finishing the kidneys occasionally, says a well-known authority. Meat forms uric acid which clogs the kidney pores so they sluggishly filter or strain only part of the waste and poisons from the blood, then you get sick. Nearly all rheumatism, headache, liver trouble, nervousness, constipation, dizziness, sleeplessness, bladder disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts, or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of stinging, get about four ounces of Jad Salts from any reliable pharmacy and take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the salt of grapes and lemon juice, combined with alkali and has been used for generations to flush clogged kidneys and stimulate them to activity, also to neutralize the acids in uric acid so it no longer causes irritation, thus ending bladder disorders.

Jad Salts is impulsive and causes instant relief and a delightful effect—drinking water which all regular users should take now and then to keep the kidneys clean and the blood pure, thereby avoiding serious kidney disorders.
