**GOOD SCORES MADE BY ALBANY SHOOTERS**

The Albany Gun Club turned in a score of 120 out of a possible 125 in the contest with the La Grande and Canemah gun clubs. H. A. Leininger led the field with a perfect mark, while Mark A. Rickard, C. G. Dodele and P. B. Dodele each smashed 24 out of 25, and Percy Young garnered 23, bringing the total to 120.  
The weather was good for shooting and quite a number were on hand. The next and final clash has been scheduled for next Sunday, at which time the Round-Up Gun Club of Pendleton, Or., will form the opposition. By virtue of today's shooting, the locals lost one and again tied the Oregon City boys. This means that the tie again will have to be shot off next Sunday.

**MEN MUST REGISTER IN WAR CENSUS**

Portland, Ore., May 29.—Of approximately 100,000 men in Oregon estimated to be between the ages of 21 and 30 years, inclusive, there may be a few so unpatriotic as to try to evade registration on War Census Day, next Tuesday, June 5.

The best advice to any youth who contemplates such action is this: Don't try it. The risk is too great. Evasions are sure to be found out. Besides the disgrace of being branded a "slacker," there will be a penalty of a term in jail without the option of paying a fine.

Already the machinery for an elaborate checking up of the registration lists after War Census day has been prepared. Men not registered who are suspected of having evaded registration will have to prove that they have not attained their 21st birthday, or that they have passed their 31st birthday.

Within five days after War Census Day, the clerk of each registration board must post in a conspicuous place an alphabetical list of all men who have submitted themselves for registration. It will be the duty of any citizen knowing of a man subject to registration whose name is not on the list, to report that fact to the authorities.

Furthermore, all police officers, deputy United States marshals, etc., are required to report on once the names of men known to them to have evaded registration.
