TRENCH TALES

London, May 31.—"Heiney" is the new name applied by the Canadians to the Germans. With many units it has superceded Fritz, Boche and Hun.

"The preliminary barrage," said a Scottish Canadian N. C. O., in describing an assault, "sounded like someone slithering his hand up the notes of a piano and down again. The guns must have set the Heiney's teeth rattling like peas in a box."

"Before the attack we spotted a sentry in a sap and were told to get him. We went a long way around, but he must have heard us splashing in the mud, for he beat it down a dug-out. When we got up to the sap we found it had a little dinner bell hanging to a wire. He was supposed to ring it when a raid started. But he was an oldish guy with glasses and he didn't think there was time to do it. There wasn't another soul in the front line."

Salts if Kidneys or Bladder Bother

Harmless to Stomach Kidneys and neutralize irritating acids—Splendid for system.

Kidney and Bladder weakness result from uric acid, says a noted authority. The kidneys filter this acid from the blood and pass it on to the bladder, where it often remains to irritate and inflame, causing a burning, scalding sensation, or setting up an irritation at the neck of the bladder, obliging you to seek relief two or three times during the night. The sufferer is in constant dread, the water passes sometimes with a scalding sensation and is very profuse; again, there is difficulty in voiding it.

Bladder weakness, most folks call it, because they can't control urination. While it is extremely annoying and sometimes very painful, this is really one of the most simple ailments to overcome. Get about four ounces of Jod Salts from your pharmacist and take a tablespoonful in a glass of water before breakfast, continue this for two or three days. This will neutralize the acids in the urine so it no longer is a source of irritation to the bladder and urinary organs which then act normally again.

Jod Salts is inexpensive, harmless, and is made from the acid of grapes and lemon juice, combined with lithia, and is used by thousands of folks who are subject to urinary disorders caused by uric acid irritation. Jod Salts is splendid for kidneys and causes no bad effects whatever.

Now you have a pleasant, effervescent, lithia-water drink, which quickly relieves bladder trouble.

MORE MEN THAN WOMEN
HAVE APPENDICITIS

Surgeons state men are slightly more subject to appendicitis than women. Albany people should know that a few doses of simple buckthorn bark, glycerine, etc., as mixed in Adler-ika, often relieve or prevent appendicitis. This mixture removes such surprising foul matter that ONE SPOONFUL relieves almost ANY CASE constipation, sour stomach or gas. The INSTANT, easy action of Adler-ika is surprising.
