SOCIAL WORKERS DISCUSS CHILDREN'S PROBLEMS

Pittsburg, Pa., June 7.—(U. P.)—Juvenile courts, illegitimacy and the best means of dealing with it were the leading questions discussed at the second day's session of the National Conference of Charities and Corrections today.

In joint session with the National Probation Association, delegates to the corrections conference took up juvenile court problems this morning. Judge Frederick Cabot of Boston, led with an address on "The Legal Powers of the Juvenile Court."

GERMANS WARRING AGAINST FRENCH BLOOD AND RACE

By Wilbur, United Press Correspondent
Paris, June 7.—"We are not making war solely against the French army and French territory but against Frenchmen generally, your women, children and everything that belongs to the French blood and race."

This is what the German commanding officer in Noyon told Senator Noel, mayor of Noyon, before the Germans sacked the town. Shortly before the destruction began, the commander summoned Noel and demanded that he name specific instances of senseless atrocities and vandalism committed by the Kaiser's troops.

Noel put in 15 minutes, the time allowed, naming instance after instance with full details. The crimes charged included rape, burglary, assault, arson and murder.

After having listened, the commander excused such conduct by saying his countrymen were warring against "French blood and race." One of the instances cited was the case of little Andre Labot, a child who was beaten with a cane for failing to salute a dummy draped with a German uniform until he fell exhausted, and finally bayoneted and killed.

GLASS OF SALTS IF YOUR KIDNEYS HURT

But how many if you feel backache or have bladder trouble—Salts for Kidneys.

Most forms uric acid which accumulates and overworks the kidneys in their efforts to filter it from the system. Regular use of most must flush the kidneys occasionally. You must relieve them like you relieve your bowels; removing all the acids, waste and poisons, also you feel a dull misery in the kidney region, sharp pains in the back or six headaches, dizziness, your stomach sour, tongue is coated and when the weather is bad, you have rheumatic twinges. The urine is cloudy, full of sediment; the channels often get irritated, obliging you to get up two or three times during the night. To neutralize these irritating acids and flush of the body's urinous waste get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then get into normal action. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate sluggish kidneys and stop bladder irritation. Jad Salts is inexpensive; harmless and makes a delightful effervescent lithia-water drink which millions of men and women take now and then, thus avoiding serious kidney and bladder diseases.
