

EXEMPTION PLAN BEING WORKED OUT

Sheriff, County Clerk and
County Health Officer Mem-
bers of Board.

SHIRKERS WILL NOT BE PERMITTED TO GET BY

Applicants Must Be Examined
Twice Before Finally Rejected
by the Government.

Washington, June 11.—A general plan for local exemption boards to select men for the selective service, is practically adopted. Registration boards consisting of the sheriff, county clerk and county health officer will form the local exemption board. In cities of over 50,000 the registration board will become the exemption board. Governors of each state are authorized to submit suggestions for changes in the personnel when the incumbent prove manifestly unsatisfactory. The war department asked the governors for suggestions and changes they desire.

Each local exemption board will have a physician giving the first test. When the man is rejected the board must summon another physician, who also examines and if the decision of the second doctor is the same, the man will be declared unfit. The regular physician who will be a member of the exemption board, will probably be the county or city physician.

ALBANY DAY FOR COR- VALLIS MOOSE CARNIVAL

Saturday has been designated as Albany day by the Moose Carnival committee at Corvallis. The Moose are having a big drive this week, with a big carnival the 14-15 and 16. A large number of Albany Moose, as well as others from this city will attend.

Democrat Late—
Owing to a delay in obtaining power for connections for the Linotype machine which was moved to the new office Saturday afternoon the Democrat will be late this evening. All machinery has now been moved to the new location.

Dr. Davis Here—
Dr. S. T. Davis of Chicago, who has been in Nevada in the mining business for the past two years, arrived in the city Saturday and is visiting at the home of his brother, Dr. W. H. Davis. He has joined the medical reserve corps of the United States Army and is awaiting his orders to go to one of the three medical reserve training camps. He will probably be stationed at Indianapolis.

CHARLES KROSCHEL DIED IN PORTLAND LAST NIGHT

Well Known Albany Man Pass-
ed Away in Portland Hos-
pital Yesterday

Earnest Charles Kroschel, of this city, died last evening in Portland at the age of 51 years. He was born November 24, 1865, at Columbus, Wisconsin. His parents later moved to New Ulm, Minnesota. When 21 years old he moved to Bellingham, Washington, and engaged in the grocery business. Fifteen years ago he came to Albany and engaged in the ice business with his brother.

He was married to Miss Louise Hansing of New Ulm, Minnesota, July 14, 1896. His wife, and four children, Viola, Ella, Charles and Alberta, survive him.

He is also survived by his father, August Kroschel, Sr., three brothers, L. A., Sam, of Medford, and August Kroschel of Albany; five sisters, Mrs. August Kreuger, Albany; Mrs. Ida Czarke, Eugene; Mrs. H. Smith, Los Angeles; and Mrs. Charles Mursell, Oakland, Cal.

He has been a lifelong member of the Lutheran church and the funeral will be held from the local church at a date to be announced later. Rev. C. J. Beyerline will have charge of the services.

L. A. Kroschel went to Portland last evening and will return with the body this evening.

HOW THINGS DO CHANGE!

Modern Improvements in the Lifetime
of One Observer.

In the American Magazine Irvin S. Cobb has an article entitled "Looking Both Ways From Forty," in which he says:

"I've seen the Kansas cyclone find a worthy successor in Billy Sunday. I was present on the spot, so to speak, when the audible celluloid cuff, E. P. Roe, the pug dog, the congress gaiter, the hammer gun, the safety bicycle, the mustache cup, parabel, the catcher who took 'em off the bat with his bare hands, the peach kernel watch chain, the pousse cafe, the operation for deforming the human appendix and the Dowie movement gave way, inch by inch, to the spitball, the automatic ejector, the rest cure, the cold storage egg, Henry Ford, the cabaret, Orville and Wilbur Wright, eat-and-grow-thin, pay-and-grow-thinner, rural free delivery, the imported Scotch ullock, Ellen Glyn, middling meat at 42 cents a pound and stewed prunes at 4 bits a portion in any first class restaurant.

"And if I have luck I shall no doubt be an eyewitness to the fading away of these things into the background of the past and the oncoming of yet more timely evidences of the onward and upward march of progress, following along, one behind the other, in a mighty procession."

BACCALAUREATE SERMON IS HEARD

Splendid Talk on "Leadership
and Service Made By
President W. H. Lee.

LEADERSHIP IS GAINED THROUGH SERVICE, HE SAYS

Commencement at Albany Col-
lege in Full Swing and Will
End Wednesday Morning.

"Leadership and Service" was ably discussed by Dr. Wallace Howe Lee, President of Albany College, in his Baccalaureate sermon to the graduating class at the First Presbyterian church yesterday afternoon.

The church was well filled by an appreciative and attentive audience. A splendid musical program preceded the sermon. Dr. C. E. Gibson gave a Scripture reading at the opening of the service. Mrs. Julia McNeal and male chorus sang the anthem, "When Thou Comest," by Rossini-Parks. Rev. C. J. Greene of Corvallis, offered prayer. After the offertory the chorus sang "Jubilate Deo."

Dr. Lee took for his central thought the quotation from the Scripture, "Whoever would be greatest among you shall be your servant." He illustrated his point through the quotation of several paradoxes.

Dr. Lee then made a few remarks to the class giving them as a text a quotation from John 13:3—"Call ye Me Teacher and the Lord and ye do me ill, for so I am."

In the evening the Young People's service was made a union service of all the churches, and a large attendance was present. The address to the Y. M., and Y. W. C. A. was made by Rev. Clinton Jennings Greene of Corvallis. Rev. R. J. Diven, D. D., gave the invocation, followed by reading from the Scripture by Dr. W. P. White. Dr. G. H. Young offered prayer.

The musical program included an anthem with violin obligato, an anthem from "The Holy City." The offertory, Raif's "Cavatina" was exceptionally good as played by Miss Alice Clements, whose work at the organ was appreciated at all services.

WILL HOLD 4TH OF JULY MEETING TOMORROW

FATHER VAN NEVEL DIED AT ST. MARY'S SATURDAY

Prominent Member of Catholic
Clergy Passes Away; Im-
pressive Funeral Tues.

The Reverend J. A. Van Nevel, State Chaplain of the Knights of Columbus and one of the most popular members of the Catholic Clergy in Oregon, died Saturday evening at St. Mary's Hospital, at the age of 82 years. He has been in poor health for the past two years and for two months past was quite poorly. Three weeks ago he was taken to his bed and never recovered from his illness.

He was born in West Flanders, Belgium, in 1835. In 1879 he was ordained a Roman Catholic Priest. The same year he went to Vancouver Island, B. C., and up to about seven years ago he remained there in Indian Mission service. For several years he taught in St. Louis College, Vancouver, B. C. He came to Albany seven years ago, being assistant to Rev. Arthur Lane, of the local parish for a year, later being connected with St. Rose's parish, Portland; with the church at Grants Pass, Millwaukie and other places.

His relatives live in Belgium and France where he has brothers, cousins, nephews and friends on the firing line with the Belgian army.

The funeral will be conducted at St. Mary's church Tuesday morning at 11 o'clock. The Very Rev. Prior Maurus, O. S. B., of Mt. Angel, will sing the Requiem Mass and Archbishop Christie, D. D., will preach the sermon. A special train leaving here at 1:15 p. m., will bear the remains to Mt. Angel, where interment will be held at 4 o'clock.

Honor Guard Drill

Navy Department.

SWEEPING INVESTIGATION PROPOSED BY SENATE

Charges of Defects in Ordnance
and Ammunition Will Be
Subject of Inquiry

Washington, June 11.—Following sensational disclosures before the Senate naval affairs committee, a sweeping investigation has been ordered of charges of defects in ordnance and ammunition, which was communicated to Senator Freylin Ghuyssen.

Secretary Daniels charged that a spy and a traitor is in the navy department.

Freylin Ghuyssen received an anonymous letter containing specific references to confidential documents and strongly intimated that a discharged and disgruntled employ wrote the letter.

RUSSELL WANTS HELP ON REGISTRATION CARDS

County Clerk R. M. Russell wants volunteer help to assist in making copies of the war census registration cards which were filled out last Tuesday. There are 1800 cards. Each must be copied and the work requires about five minutes per card.

Mr. Russell states that he would appreciate the service of anyone who will give even an hour's time.

ALBANY COLLEGE BANQUET WEDNESDAY EVENING

It will be an important meeting.

HOFER'S CAR ATTRACTED SWARMING BEES

Rattling Ford of Antiquated
Model More Alluring Than
Tin Pans.

The Pied Piper of Hamelin has nothing on the 1912 edition of the Ford when it comes to bees.

"Larry" Hofer, son of Col. E. Hofer of Salem, was motoring to Newport Wednesday in his Ford of 1912, which he bought for the Newport trip. He came upon a small army of youngsters beating furiously on some tin pans. "Mr. Hofer could hardly hear the clatter above the purr of his motor, which rattled in every joint, but he thought, 'Ha, the little ruffians making sport of my motor car.'"

But they weren't. They were swarming bees. As he whizzed past the boys—and the bees—the racket of the Ford proved more fascinating and the bees followed in hordes.

"And would you believe it," said Mr. Hofer, "they chased me for two blocks buzzing around my head and neck and lighting on my ears and face and I was afraid to speed up on account of more rattle."

Mr. Hofer came back on the train.

LEARN TO SAVE MONEY.

Banking Merely a Dollar a Week is a
Good Investment.

"It is mighty hard," said an unfortunate workman some time ago to the writer, "to save up a thousand dollars by laying aside a dollar or two a week and then to take it out of the savings bank and lose it to a get rich quick swindler, as I have just done."

The poor fellow could work and save, but he had not had even a kindergarten education in finance, else his story would have been different. He had never given a thought to interest and so was absolutely ignorant of growth through compound interest and, of course, had never heard of that wonderful process of accumulation known as "progressive compound interest."

One dollar deposited in a savings bank that pays 4 per cent will amount to \$2.10 in twenty years. This is simple compound interest. Now, if you deposit \$1 every year for twenty years, or \$20 in all, the sum to your credit will have grown to \$29.7.

Any wage earner can put by \$1 a week. That money deposited in a savings bank for twenty years will have increased to \$1,612. A deposit of \$5 a week will have grown to \$8,000, and this at 4 per cent will be \$20 a year. There is no secret, no mystery, about this. It is as clear as the cloudless sun, and the method is just as clean and honest.—Christian Herald.

FIRE ESCAPES FOR SCHOOLS.

These Serve as a Play Scheme as Well
as a Protection.

Some of the California schools are equipped with novel fire escapes, which are not only a safeguard, but afford the children as much amusement as a regular playground equipment. One of these fire escapes in Tropic, near Los Angeles, consists of several long sheet metal chutes, re-inforced with angle iron and secured to the walls of the building. They extend from an iron platform on the second floor, which leads from the main corridor. Separate chutes are provided for the boys and girls.

The teachers encourage the use of the slides as an amusement to accustom the children to them. Each slide ends in a slight upward curve to check the momentum of the descent. At the point where the children reach the ground a pile of loose sand breaks the fall.

In Venice, Cal., a spiral chute is employed, which is enclosed in a cylindrical metal casing. This is entered from a platform leading from the upper story. Like the straight slide, it is used as an amusement device by the pupils. A loyal hospital makes use of one of the same design.

Indecision.
Oh, weakness and indecision of mind! If not yourselves vices, do you not sometimes pave the way?—Walter Scott.

BIG SUM ASKED FOR U. S. AIR SERVICE

America Asked to Send Hun-
dreds of Machines and
Men to France

OVER HALF BILLION IS ASKED FROM CONGRESS

Stations Will Be Established
In Many Parts of the Country
to Train Men

Washington, June 11.—The government has asked Congress for five or six hundred million dollars to develop the American airplane service on a great scale. Subcommittees of the naval affairs committee decided to begin the hearings tomorrow on the Sheppard-Hulbert bill, creating a separate aeroplane department.

"Before the year is past the Congress will ask an appropriation of a billion dollars for the aero service. Representative Hulbert said, "It is the idea of the council for national defense to establish aviation stations at intervals across the continent where the men will be trained and the machines repaired. It is impossible for the government to send a large number of troops to Europe before nine months or a year. It can train five thousand machines ready by August first."

Hulbert said the military authorities of England and France stated that the air service must be developed on a great scale, and declared the greatest service that the United States can do is to send machines and aviators to France.

CARS COLLIDE AT 3RD AND WASHINGTON STREETS

The second automobile collision of the year at the corner of 3rd and Washington streets occurred yesterday afternoon when the car driven by F. L. Holmes and another by Ira Shortridge collided. The occupants of the cars were not injured but the back of the fender on the Shortridge car was bent and a spoke was broken in the Holmes machine.

Four accidents of a similar character have occurred on this corner during the past three years.

D. P. Mason, Dan Johnston, C. H. Cusick and Jno. R. Penland, went to Portland this morning to attend the Grand chapter, Royal Arch Masons, which opened its annual session there today.

The Grand Lodge, A. F. & A. M., will convene Wednesday. The delegates from the Albany lodge are W. L. Marks, J. R. Penland and Judge P. R. Kelly.

The Grand Chapter, Order Eastern Star, is also in session.

NAME "PLANALP" MAKES OFFICER SUSPICIOUS

Spell it backward or forward, it just the same—Planalp.

Consequently, Ensign J. H. Mart, commanding the local recruiting offices of the navy, viewed with suspicion the applications of Robert Ward Planalp, 25-year-old twins from Albany, Oregon, who sought to join the navy.

Ensign Mart and his recruiting staff thought at first, because of its oddity, that the boys were enlisting under assumed names, but investigation proved their statements and they were both accepted and passed. They enlisted as firemen.—Portland Telegram.
