HYPOPITUITARISM PROVES
BAR TO MARINE RECRUIT

Philadelphia, June 18—Because telling a man that he is too fat to serve his country may have a tendency to dampen patriotism, Howard Alva Stillwell of Newark, was given a somewhat different diagnosis of his case when he was rejected by United States Marine Corps medical examiners here.

Both the doctor's report and Stillwell carry considerable weight.

DRINK MORE WATER IF KIDNEYS BOTHER. Not less meat and take salts for Backache or Bladder trouble—Neutralize acids.

Uric acid in most excites the kidneys, they become overworked; get sluggish, ache, and feel like lumps of lead. The urine becomes cloudy; the bladder is irritated, and you may be obliged to seek relief two or three times during the night. When the kidneys clog, you must help them flush off the body's urinous waste or you'll be a real sick person shortly. At first you feel a dull misery in the kidney region, you suffer from backache, sick headaches, dizziness, stomach gets sour, tongue coated and you feel rheumatic twinges when the weather is bad. But less meat, drink lots of water; also get from any pharmacist four ounces of Jod Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean clogged kidneys and stimulate them to normal activity, also to neutralize the acids in urine, so it is no longer a source of irritation, thus ending bladder weakness. Jod Salts is inexpensive, cannot injure, makes a delightful after-noon drink, water drink which everyone should take now and then to keep the kidneys clean and active. Druggists here say they sell lots of Jod Salts to folks who believe in overcoming kidney trouble since it is only trouble.
