FLAG IS RAISED AMID CHEERS BY MONTAVILLIANS

The "finest flag in the world" was raised Flag Day, June 14, on the grounds of Jas. I. Miller, 2043 Delano street, Montavilla station. Miller is a Civil War veteran. Many men, women and children congregated at the Miller residence to see the flag raising. The G. A. R. Post and W. R. C. were well represented.

A luncheon, consisting of coffee, hardtack, sandwiches and cake was served. The flagpole, 60 feet long, straight and true, was then raised. A large metal ball and a weather vane

were placed at the top of the pole and then the flag was unfurled. When "Old Glory" straightened out in the breeze the large crowd assembled cheered.

An address by Arthur H. Nichols, 163 E. 90th street, then followed. In which Nichols told the story of the flag, how it was first conceived in the brain of George Washington, and how it has stood for liberty and freedom since its origin.

Veteran Miller was congratulated on all sides for his patriotism. Mr. Miller was once a resident of Albany. —Ex.
