STEER PUTS TELEPHONES OUT OF COMMISSION

Halsey, Or., July 4.—The well-known bull in the china shop had nothing on the steer that escaped from the local stock yards the other night and put the Halsey telephone system out of commission.

As might be expected the steer had not been at liberty many minutes before concerted effort to corral him was being made by sundry men and small boys, glad of a little diversion.

The consequent uproar was rather disconcerting to the steer, naturally, and so either with malice aforethought or blind with rage, he crashed into the main feed pole in front of the telephone exchange building, snapping said pole in twain.

The town is without telephone service while the mass of tangled wires is being untangled.

HOW APPENDICITIS CAN BE PREVENTED

Albany people should know that a few doses of simple buckthorn bark, glycerine, etc., as mixed in Adler-ika, often relieve or prevent appendicitis. This simple mixture removes such surprising foul matter that ONE SPOONFUL relieves almost ANY CASE constipation, sour stomach or gas. A short treatment helps chronic stomach trouble. Adler-ika has easiest and most thorough action of anything we ever sold. The Woodworth Drug Co.

The Triumphal March of

A NEW CREATION OF SCIENCE AND NATURE

When we announced Bevo recently, our hopes were high. We knew that we had the most unusual soft drink that had ever been offered: A beverage combining the nutritive extracts of wholesome cereals, the zest of Sarsaparilla, a flavor all its own and absolute purity. We knew this because, true to our own ideals, we had experimented for years before we were satisfied to say, "We offer you Bevo—it is a different soft drink—it is good and it is good for you."

High as were our hopes for its reception, we have realized them far and beyond our expectations.

Bevo today is an established popular success. Everywhere the same question is asked:—"Have you tried Bevo?"

Now, one final word. We promise you that, in accord with the known principles of Anheuser-Busch and all its products, Bevo not only will forever maintain its present high standard of quality, but as time goes on our great endeavor shall be to make this soft drink even more perfect in every detail of its goodness.

You will find Bevo at inns, restaurants, groceries, department and drug stores, picnic grounds, baseball parks, soda fountains, dining cars and other places where refreshing beverages are sold.

Guard against substitutes. Have the bottle opened in front of you, first seeing that the seal is unbroken and that the crown top bears the Fox.
