How Little It Costs to Attend Chautauqua On the Season Ticket Plan

You wouldn't buy a ticket at every station if you were going on a long trip would you? Don't attend Chautauqua that way either. Buy a thru ticket. It saves you money. Single admissions are more than three times the amount of a season ticket.

Twenty-six Attractions \$2.50 Less Than 10c Each

Think of hearing "The Chimes of Normandy" for ten cents, or Hawkin's great Nature Lecture, or "Along the Road to Tokyo," or James Goddard—it would cost you more than the price of a season ticket to hear him alone at Chicago Grand Opera.

LOSS OF FINGER NO HANDICAP TO MARINE

Washington, July 11.—Because the loss of the trigger finger has prevented his enlistment, Walter Cogswell Forse, age 19, of Binghamton, N. Y., walked all the way from that city to Washington to make personal application to the Major General Commandant of the U. S. Marine Corps. Forse carried a sign on his back which read "From Binghamton, N. Y., to Washington, D. C., to join the U. S. Marines. It's Worth it."

Upon his arrival here young Forse proved that the loss of the index finger of his right hand was no handicap in the performance of military duty, and special authority was granted for his enlistment. So far as is known, he is the first man, similarly handicapped, to pass the military authorities.
