CITY NEWS

Mazama Camp—

Jack Benefiel and Don Robinson of Portland, were in the city yesterday and today on their way to Detroit to establish a summer camp for the Mazamas who expect to start a climb of Mt. Jefferson from this point.

Will Make Bricks—

C. G. Rawlings this morning started his brick yard on a run of 300,000 bricks. He will make a million on this run if fuel can be had. In spite of the fact that wood is plentiful all around Albany, it is difficult to get enough to run the kiln. The great trouble is scarcity of labor, for in the saw mills there is plenty of slab with no one to load it on the cars.

Goes to California—

Miss Nellie Haynes left last night for San Diego, California, where she will spend several months.

Goes to Portland—

Miss Ada Hamilton returned to her home in Portland last night after a two-weeks' visit here with relatives.

Goes to Portland—

Albert Rousseau of the Overland and Hudson agency went to Portland on a short business trip today.

On Vacation—

John Cusick left this morning to spend a few days on the ranch of his uncle near New Era.

SAGE TEA KEEPS YOUR HAIR DARK

When Mixed with Sulphur It Brings Back Its Beautiful Lustre at Once.

Gray hair, however handsome, denotes advancing age. We all know the advantages of a youthful appearance. Your hair is your charm. It makes or mars the face. When it fades, turns gray and looks streaked, just a few applications of Sage Tea and Sulphur enhances its appearance a hundred-fold.

Don't stay gray! Look young! Either prepare the recipe at home or get from any drug store a 50-cent bottle of "Wyeth's Sage and Sulphur Compound," which is merely the old-time recipe improved by the addition of other ingredients. Thousands of folks recommend this ready-to-use preparation, because it darkens the hair beautifully, besides, no one can possibly tell, as it darkens so naturally and evenly. You moisten a sponge or soft brush with it, drawing this through the hair, taking one small strand at a time. By morning the gray hair disappears; after another application or two, its natural color is restored and it becomes thick, glossy and lustrous, and you appear years younger.

Wyeth's Sage and Sulphur Compound is a delightful toilet requisite. It is not intended for the cure, mitigation or prevention of disease.
