The Board of Directors of the Manufacturers and Land Products Show wants an original and striking poster design to be used in advertising the big all-Oregon exhibition to be held at Portland, November 3 to 24, 1917. In order that the best talent in the state may be employed at the task and that the product shall be the finest advertising poster ever shown on the Pacific Coast, a cash prize of \$100 in gold will be given for the best and most effective design in colors, the competition to close August 10, 1917.
