Electric Ranges Are Clean Safe Reliable

"When I get back My Dinner will be ready to serve"

An Electric Range Is a Thing of Beauty

Something every woman admires and wants in her kitchen but not for beauty alone.

Because electric ranges employ no open flame for heat—they are clean and safe.

Because they are clean they are sanitary

Because they are not subject to the whims of dampers and drafts and flues they are reliable.

More than all else—modern housewives prefer and use electric ranges because they are economical and produce superior results with less trouble. Ask about the new cooking and heating rate—and decide to take advantage of the low price time payment offer before it expires.

DELICIOUS

Dainty cakes, as well as appetizing, wholesome bread and rolls turned out by our baking department, make summer baking superfluous for the housewife. Ready prepared foods from our grocery shelves also help solve the hot weather problem.

Weather Report—

Temperature ranges between 52 and 93 degrees. River 1.8 feet.

Going to Crater Lake—

E. D. Tyler, cashier at the S. P. depot, and brother, E. A. Tyler, of the Albany Garage, will leave Monday for a two weeks' vacation at Crater Lake.

Died in Portland—

Word was received in Albany this morning of the death of Mrs. Grace Parvin, in Portland yesterday. She will be buried in Salem, but other arrangements have not been made. She is a niece of C. H. Burgraff.
