"The Girl, Glory"

An irresistible comedy of quaint village life by C. Gardner Sullivan

It starts off with fairy stories and ends in romance. It is the story of a joyous, romping girl, who decides to put a saloon out of business. She does it in a way that makes you smile, chuckle, then laugh outright.

All Your Battery Needs

Distilled water every two weeks, regular hydrometer tests, and occasional thermometer readings in hot weather or when you're running your car long distances—that's the most, and the least, you can do for your battery.

Let us help you make sure of that little difference between a dead battery and a live one,

high cost of electric power and low.

Even the best battery will wear out some day. Before that time comes, let us show you the Still Better Willard with Threaded Rubber Insulation, recently put on sale after two years remarkable performance in 35,000 cars.
