WAR AND BIBLES

As the war continues the world apparently grows more religious. At least, the Bible seems to have become the most popular book of the war.

The Y. M. C. A. recently wanted 500,000 pocket Testaments for soldiers. It was unable to procure them. It now has an order for 1,000,000 Bibles waiting its turn to be filled.

Of course, everybody's giving Bibles to soldiers. With the attempt to supply every man in all branches of the service with a Bible, it isn't difficult to see where part of the unprecedented demand comes from.

If people are sincerely seeking spiritual truth in proportion to their growing interest in the Bible as one source, there should be a tremendous moral reinforcement of civilization after the war.

MARKET REPORT

The prices given in the local quotations are those asked by the wholesaler from the retailer for fruit and vegetables. All other prices are those paid the producer.

DRINK MORE WATER IF KIDNEYS BOTHER
Eat less meat and take Salts for Backache or Bladder trouble-Neutralizes acids.
Uric acid in meat excites the kidneys, they become overworked; get sluggish, ache, and feel like lumps of lead. The urine becomes cloudy; the bladder is irritated, and you may be obliged to seek relief two or three times during the night. When the kidneys ache you must help them flush out the body's urinous waste or you'll be a real sick person shortly. At first you feel a dull misery in the kidney region, you suffer from backache, sick headache, dizziness, stomach gets sour, tongue coated and you feel rheumatic twinges when the weather is bad. Eat less meat, drink lots of water; also get from any pharmacist four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean clogged kidneys and stimulate them to normal activity, and to neutralize the acids in urine, so it is no longer a source of irritation, thus ending bladder weakness. Jad Salts is inexpensive, cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active. Druggists here say they sell lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.
