COUNTY NEWS

KNOX BUTTE, Sept. 17.—Mr. and Mrs. Wallace Knox returned to their home in Portland Wednesday after a ten days' visit with Mr. and Mrs. E. E. Knox.

Viron Cade was here from Port Canby, visiting his parents, Mr. and Mrs. L. Cade.

Mr. and Mrs. Bert Jamison and family visited at the Hamford home on Sunday.

Miss Freda Krueger of Eugene is visiting at the home of Mr. and Mrs. Maynard Ackerman. Additional guests were Mesdames M. Ackerman, M. Mallon, Misses Hazel Gilbert and Freda Krueger (Eugene).

The near neighbors of Mrs. Margaret Mallon and family gave them a farewell party on Saturday night. They have resided on the Foley farm the past three years. Mrs. Mallon and younger children are planning on making their home in Albany. George is going to California to reside.

Mrs. F. Lines received on September 15 a card from her nephew, Kenneth Hawley, a member of the Engineers' Corps, which is in France. Kenneth is an electrician. The card was dated Aug. 21, was passed by the censor. He writes that everything had the signs of war, the climate of France appeared similar to that of Oregon to him.

Mrs. Frank Lines was appointed as registrar for the Defense Council for the Knox Butte precinct. The time was Saturday afternoon.

James Smith will have his farm sale on Wednesday, Sept. 19. The Locher Bros. will also have a sale on the Russard farm Wednesday, Sept. 26.

Mrs. Frank Lines and daughters entertained the Sunshine Circle at their home on Thursday afternoon. Conservation of food was discussed by each member present. At the next meeting of the Circle, the subject of children will be studied. At the close of the afternoon the hostess served refreshments.

Additional guests were Mesdames M. Ackerman, M. Mallon, Misses Hazel Gilbert and Freda Krueger (Eugene).

Housekeeping is a Business

Profit by the short cuts, by the added convenience, by the time and money it will save you.

Use Electricity for Economy

Let Electricity put your household on the same efficiency basis that your husband employs in his office or factory.

For the price of a 10-cent cigar, you can operate electrically—long enough to cover the days needs—a coffee percolator, toaster, fan, vacuum cleaner and a washing machine.

Make your home an ideal workshop. Equip it with Electrical appliances.

Call and see them at your dealers', or telephone Fifteen and a salesman will call.
