FRENCH COAL SITUATION IS MUCH IMPROVED

PARIS, Sept. 27.—(U. P.)—The coal situation has taken on a brighter aspect since M. Loucheur, the new coal minister, assured parliament en-

ergetic measures were being taken. The municipal authorities' new announcement that there will be no shortage of coal if transport facilities can be improved is welcomed. The monthly supply necessary for Paris is 100,000 tons.

The fewer suits we sell a man, the more business we do!
Ever since we have been offering our customers

MICHAELS-STERN CLOTHES

our business has increased, and yet we sell fewer clothes to each customer.

The answer to the riddle is really very simple:

The Suit We Sell You Wears!

It wears twice as long, looks twice as good, and costs but little more than ordinary clothing, and once you have known Michaels-Stern satisfaction, how long will it be before you tell your friends the good news, and they will come in for a

Michaels-Stern Suit

We are anxious to show you—and you should be anxious to be shown.
