Hoosier's Council of Kitchen Scientists

Mrs. Christine Frederick, noted Household Efficiency authority; head of Applecroft Experiment Station, New York.
Miss Alice Bradley, Principal of Miss Farmer's School of Cookery, Massachusetts.
Mrs. Janet M. Hill, Principal of the Summer School of Cookery, New Hampshire; Editor and Author.
Mrs. Nellie Kedzie Jones, Household Consultant, Wisconsin.
Mrs. Alice R. Dresser, Consultant of Household Administration, Massachusetts.

Miss Fay Kellogg, a prominent New York Architect.
Mrs. Frank Ambler Pattison, Domestic Efficiency Engineer, New Jersey.

Mrs. H. M. Dunlap, Domestic Science Expert, Illinois.
Each Hoosier expert is a leader in her field. All are capable. All are noted. In practical kitchen experiments they discover many labor saving "short-cuts." Then we build the inventions of some into Hoosier Cabinets. Others, through us, give expert advice to women who buy the Hoosier. So the actual presence of these specialists in your kitchen is not necessary. By having the Hoosier, you have the effect of their hands and brains at your side.

HOW HOOSIER HELPS YOU

It sifts your flour four times faster than old ways by giving you the patented SHAKER SIFTER. It makes flour light and fluffy, and does not grind dirt through the sieve.
It saves you miles of steps by arranging places for 400 articles WITHIN ARM'S REACH!

The most used articles are nearest. You sit and work in comfort. You reach instead of walk.
One brainy woman, through her patented Food Guide, answers each day that old perplexing question, "What shall we have for dinner?"

In 40 work-reducing ways, the Hoosier saves you toil and energy and time. And bear in mind with all these extra features the Hoosier is priced no higher than ordinary.
None can surpass its lifetime standard of construction. More than a million Hoosiers are in daily use. We know of none that ever wore out.

WILL YOU ACCEPT THIS OFFER?

You must confess that you would like to have this cabinet. Then what excuse can exist to prevent you? Certainly not the price—Hoosier prices are low, due to enormous output. Certainly not terms—you can pay as convenient.

More than that, we let you try the Hoosier. Make a small payment and we will deliver it.

J. A. Brown, supervisor of Road District No. 28, between Waterloo and Sweet Home, was in the city getting notices issued by the County Court for a road meeting to be held soon. Petitions signed by a number of property owners asked that the meeting be called. The district, which has one of the finest roads in the county, will vote a two-mill special tax to continue the improvement. The work of this district, which is situated in a difficult district for road building, is a fine example to many a district in the county which has things so much easier in the matter of grading, cutting and filling.
