THE HUMBLE HERO.  
 To go on cheerfully with a petty round of little duties, little avocations, to smile for the joy of others when the heart is aching, \* \* \* who does this, his works will follow him. He may not be a hero to the world, but he is one of God's heroes.—Canon Farrar.

## Hoosier's Council of Kitchen Scientists

Mrs. Christine Frederick, noted Household Efficiency authority; head of Appercroft Experiment Station, New York.  
 Miss Alice Bradley, Principal of Miss Farmer's School of Cookery, Massachusetts.  
 Mrs. Janet M. Hill, Principal of the Summer School of Cookery, New Hampshire; Editor and Author.  
 Mrs. Nellie Kedzie Jones, Household Consultant, Wisconsin.  
 Mrs. Alice R. Dresser, Consultant of Household Administration Massachusetts.  
 Miss Fay Kellogg, a prominent New York Architect.  
 Mrs. Frank Ambler Pattison, Domestic Efficiency Engineer, New Jersey.  
 Mrs. H. M. Dunlap, Domestic Science Expert, Illinois.  
 Each Hoosier expert is a leader in her field. All are capable. All are noted. In practical kitchen experiments they discover many labor saving "short-cuts." Then we build the inventions of some into Hoosier Cabinets. Others, through us, give expert advice to women who buy the Hoosier. So the actual presence of these specialists in your kitchen is not necessary. By having the Hoosier, you have the effect of their hands and brains at your side.  
**HOW HOOSIER HELPS YOU**  
 It sifts your flour four times faster than old ways by giving you the patented SHAKER SIFTER. It makes flour light and fluffy, and does not grind dirt through the sieve.  
 It saves you miles of steps by arranging places for 400 articles WITHIN ARM'S REACH!  
 The most used articles are nearest. You sit and work in comfort. You reach instead of walk.  
 One brainy woman, through her patented Food Guide, answers each day that old perplexing question, "What shall we have for dinner?"  
 In 40 work-reducing ways, the Hoosier saves you toil and energy and time. And bear in mind with all these extra features the Hoosier is priced no higher than ordinary.  
 None can surpass its lifetime standard of construction. More than a million Hoosiers are in daily use. We know of none that ever wore out.

**WILL YOU ACCEPT THIS OFFER?**  
 You must confess that you would like to have this cabinet. Then what excuse can exist to prevent you? Certainly not the price—Hoosier prices are low, due to enormous output. Certainly not terms—you can pay as convenient.  
 More than that, we let you try the Hoosier. Make a small payment and we will deliver it.
