Tomorrow's Purchasers

Adequate Window Lighting Sells Merchandise
Those who stop and look at night will be tomorrow's purchasers. Long hours after you have closed your doors a well-lighted window display makes a silent appeal to all passersby. It bids them enter tomorrow by implanting in their minds tonight the desirability of the goods you sell. Let us show you how to increase sales by proper window lighting. Telephone 15 and ask our representative to call and explain our window and sign lighting proposition.
