Your Friends Can Buy Anything You Can Give Them Except YOUR PHOTOGRAPH

With the high cost of living and everything calling for economy, nothing will make as cheap or a more appreciated gift than a dozen nice photos of yourself, especially if you are a friend or relative of a soldier boy at the front. As this class of work will make a greater demand for Christmas pictures than ever before, and as we are unable to hire skilled help at that time, it is absolutely necessary to get a large part of the Christmas work done in the next few weeks.
