Hulbert-Ohling Hdw. Co's DissolutionSale

NOW GOING FULL SWING

We told you we were going to give you the greatest sale ever advertised in Oregon. NOW YOU KNOW WE MADE GOOD. When we opened this Mighty Dissolution Sale Saturday, every minute of the day and late into the night our store was packed and jammed with eager buyers, everyone expressing their appreciation of the wonderful bargains offered. Hundreds of customers were turned away Saturday, as it was not humanely possible for our large force of salespeople to wait on everyone. Many of our bargain lots were sold our completely and we are certainly pleased and gratified to know that our efforts were so well appreciated. If you are one that could not get waited upon, we urge upon you, by all means, to visit this store this week, as we will have many more surprises for you each and every day of this sale and want you to know it is a real genuine sale and that the good things were not for one day only. We want you to come to this store and sale expecting to buy the best lines of Hardware, Stoves, Tools, Cutlery, Paints, Cooking Utensils, etc., that money can buy at prices less than they can be duplicated for in any market of the East or West. It is impossible to list prices, but please bear in mind that absolutely every price is cut and every article in this store is on public sale.

SEAT SALE OPENS FRIDAY A. M. AT WOODWORTH DRUG CO.

What's the Difference?

The only difference that shows on the outside is the trade-mark, but *that's enough* for any wise car-owner.

He knows that it stands for a *big difference inside*, that it is the mark of Willard Threaded Rubber Insulation, the latest and the greatest improvement in battery construction.

And this means a Still Better Willard Battery, more durable insulation, a more economical battery to own, and unit for unit of electricity, more for his money.

Come in and let us explain more fully the difference between Threaded Rubber Insulation and other kinds. It will pay you.
