

Your Friends Can Buy Anything You Can  
Give Them--Except  
**Your Photograph**

With the high cost of living and everything calling for economy, nothing will make as cheap or a more appreciated gift than a dozen nice photos of yourself, especially if you are a friend or relative of a soldier boy at the front. As this class of work will make a greater demand for Christmas pictures than ever before, and as we are unable to hire skilled help at that time it is absolutely necessary to get a large part of the Christmas work done in the next few weeks.

## ST NATIONAL BANK

SERVE BY SAVING

Every dollar put into the bank will shorten the war

ought not to appeal in vain. Save for the govern-  
ment that has done so much for you.

## MAZOLA

is the perfect oil for deep frying,  
sauteing, shortening, salad dressings  
--and the economical one.

PRESSED from the heart of golden American Corn, Mazola  
supplies the need for a vegetable oil which is pure and  
wholesome.

Fry any food in Mazola and you will find it retains more of the  
natural flavor.

Use Mazola over and over again--it does not transmit taste or  
odor from one food to another--the great factor in economy.

Mazola quickly crisps the surface and thus makes fried foods more  
digestible--free from greasiness or sogginess.

And since Mazola is a vegetable oil it is an important factor  
in Mr. Hoover's campaign to save butter, lard and suet.

Imported oils are so scarce and high priced now-a-days  
that you will do well to use Mazola when you want a really  
delicious salad dressing.

You can get Mazola from your grocer in pint, quart,  
half-gallon, and gallon tins. The large sizes are most  
economical. Also ask your grocer for the free Mazola  
Book of Recipes, or write us direct. Your money refund-  
ed if Mazola does not give entire satisfaction.
