When You

bought a new hat, and got a poor fit—primarily you lost your money. When you bought a poor pair of glasses and got a poor correction—primarily, you wasted your nerve force, lost your eyesight, and, incidentally, you also lost your money!

Keeping Yourself Well

Run Down, Aching
people need a good tonic that will send the blood tingling through the body, enrich it by improving the digestion, and clean it by expelling the waste matter. Health is a matter of plenty of rich blood, free from impurities.

PERUNA

dispels inflammation of the blood making organs,—the digestion—gives tone and "pep" to the membranes that line the lungs and the digestive tract, and invigorates the entire system.

You can have health if you take care of yourself and take Peruna when you need it.
