Three Stages in Battery Service

1. For the man with a new battery—We start a man right, show him what to do and what to avoid, and give him a certain amount of free service from our experts till he is thoroughly posted on battery care.

2. For the man whose battery is in the prime of life—Free testing at regular intervals, free advice, helpfulness and courteous cooperation always. Quick repairs at fair prices if some little thing gets out of order.

3. For the man whose battery needs repair—Old age, abuse, accident or some other cause may injure a battery. We have trained experts, proper equipment and tools—everything to handle any battery job and do it right.

When at last you need a new battery, we have the finest and sturdiest one ever built—the "Still Better Willard," with Threaded Rubber Insulation. It costs a little more, but it's a mighty good investment.

The Pathephone Is Different

It's different not just to BE different—it's different because it's BETTER!

The Pathephone will play both kinds of records—Pathe and the OTHERS—and it will play THOSE better. It's equipped with the Pathe Sapphire Ball that GLIDES over the sound-grooves, that CANNOT scratch the record, that produces a TONE of matchless, lovely smoothness. This jewel is permanent, so there are no needles to change—which means absolutely undisturbed enjoyment. And the polished sapphire ball means long life to the record. You can accumulate records for years without losing your pleasure in them! That's what this extraordinary guarantee stands for:

We guarantee every Pathe Record to play at least one thousand times with the Pathe Sapphire Ball, without impairment to the unexcelled beauty of tone and without showing any perceptible wear on the record.

That's why the Pathephone is YOUR phonograph. That's why you'll want the PATHEPHONE. That's why you ought to hear it TODAY at the Pathe dealer nearest you!

Each Pathephone, whatever the price, plays ALL makes of records, as well as Pathe Records—one thing alone that would make it the biggest value there is at its price!
